## Legislative Reporting Service

---

North Carolina General Assembly  
2014 Session

# Index of Legislation

## Contents

**Status Report for Public Bills.** This report indexes, by General Statutes chapter or subject, all public bills and resolutions considered during the 2014 legislative sessions, and indicates the bill number, short title, and last legislative action taken on each bill.

**Enacted Public Bills.** This report indexes, by General Statutes chapter or subject, all public bills and resolutions enacted during the 2014 legislative sessions, and indicates the bill number, short title, session law or resolution number, and date of enactment.

**Index of Public Bills.** This report lists, in numerical order, all public bills and resolutions considered during the 2014 legislative sessions, and indicates the General Statutes chapter(s) affected by or the subject of each bill, the bill number, short title, and last legislative action taken with respect to each bill.

**Status Report for Local Bills.** This report indexes, by the county or counties affected, all local bills (affecting fourteen or fewer counties) considered during the 2014 legislative sessions, and indicates the bill number, short title, and last action taken on each bill.

**Index of Local Bills.** This report lists, in numerical order, all local bills considered during the 2014 legislative sessions, and indicates the county or counties affected by each bill, the bill number, short title, and last legislative action taken on each bill.

**Enacted Legislation.** This report lists, in chronological order, all bills (public and local) and resolutions enacted during the 2014 legislative sessions, and indicates the bill number, short title, and session law or resolution number of each bill or resolution.

## Status Report for Public Bills by Category

Date: 09/23/2014

'\$' and bolding indicates the bill is an appropriations bill.

'\*\*' indicates that the text of the original bill was changed by some action.

'=' indicates that the original bill is identical to another bill.
