H 149. [TERRORISM/STATE OFFENSE](#). Filed 2/21/11. *TO CREATE THE CRIMINAL OFFENSE OF TERRORISM.*

Amends GS Chapter 14 by creating new Article 36C, entitled Terrorism, enacting GS 14-288.25 through GS 14-288.29. New GS 14-288.26 makes it a Class B1 felony to commit or conspire to commit, or aid and abet the commission of an act of terrorism if the base offense of the act is a Class B1 or Class A felony. Also makes it a Class C felony to commit or conspire to commit or aid and abet the commission of an act of terrorism if the base offense is a Class B2 felony or a lesser offense. It is a Class D felony to solicit, invite, recruit, encourage, or otherwise cause or attempt to cause another to participate in an act of terrorism. New GS 14-288.27 makes it a violation of new GS 14-288.26 to recklessly assist, or provide land or other resources or aid in the training of anyone intending to commit an act of terrorism. New GS 14-288.28 sets forth the factors that may constitute probable cause for search and seizure of the evidence of criminal activity related to unlawful paramilitary activity, acts of terrorism, or a continuing criminal enterprise within a closed community compound, which is defined in new GS 14-288.25(4) as a community with limited public access reputed to be bound together
