H 142 (2013-2014) [PROVIDE ACCESS TO CAMPUS POLICE RECORDS](#). Filed Feb 21 2013, *A BILL TO BE ENTITLED AN ACT TO PROVIDE PUBLIC ACCESS TO CERTAIN INFORMATION MAINTAINED BY CAMPUS POLICE AGENCIES AFFILIATED WITH PRIVATE, NONPROFIT INSTITUTIONS OF HIGHER EDUCATION.*

Adds a new section to the Campus Police Act (GS Chapter 75G) governing custody and disclosure of records maintained by campus police agencies of institutions of higher education certified under the Act. New GS 74G-5a specifies that each such certified agency is the legal custodian of its records and that the records maintained by private, nonprofit institutions are not public records under the state's Public Records Law. Specifies further that certain information maintained by certified campus police agencies is to be available for public inspection: (a) time, date, location, and nature of a violation of law reported to the agency; (b) name, sex, age, address, employment, and alleged violation of a person arrested, charged, or indicted; (c) circumstances surrounding an arrest, including time and place, resistance, weapons, or pursuit; (d) contents of emergency calls, not including the voice and certain identifying information of the caller; (e) contents of communications

between employees of the agency broadcast over the public airways; (f) name, sex, age, and address of a complaining witness; and (g) the agency's daily log of crimes. Release of this information is subject to restrictions found in the federal Cleary Campus Crime Act and the federal Family Educational Rights and Privacy Act. Copies of this information are to be made available upon payment of the actual costs of copying. Information concerning a complaining witness may be withheld if disclosure could endanger the witness or materially compromise the criminal investigation. Such withholding may be challenged in superior court. An agency may seek a court order permitting nondisclosure if disclosure would jeopardize the prosecution of the matter or the ability of the defendant to provide a proper defense. Provides that information that would not be required to be disclosed under GS Chapter 15A (the Criminal Procedure Act) need not be disclosed and that information that would identify a confidential informant need not be disclosed.

H 147 (2013-2014) [AMEND ADOPTION LAWS](#). Filed Feb 21 2013, *A BILL TO BE ENTITLED AN ACT TO AMEND VARIOUS LAWS PERTAINING TO ADOPTION.*

Rewrites GS 7B-909 to clarify that a review of a department's or agency's plan for a juvenile must be scheduled for a hearing in a court session whenever either of the described actions in subsections (a)(1) or (a)(2) have occurred. Amends subsection (a)(1) to provide that the need for review of a plan for placement is triggered when the parental rights of a non-surrendering parent are not being terminated and the non-surrendering parent's consent or relinquishment necessary for the adoption of the juvenile cannot be obtained, in addition to the existing condition that the termination proceedings have not been instituted against the non-surrendering parent within six months of surrender by the other parent. Amends subsection (a)(2) to clarify that a need for review of a placement plan is also triggered when both parents have surrendered a juvenile for adoption under GS Chapter 48, Article 3, Part 7, and there is no final decree of adoption within six months from the date of the most recent parental surrender. Enacts new subsection (b1) authorizing the court to void a relinquishment for adoption signed by the surrendering parent pursuant to new GS 48-3-707(a)(4) when the court finds that no steps are being taken to terminate the right of the other parent from whom consent or relinquishment has not been obtained. Provides additional criteria regarding notice to the relinquishing parent whose rights will be restored. Provides that additional reviews are not required after a relinquishment is voided under new subsection (b1) and exempts a review hearing under subsection (b1) from being conducted under GS 7B-908.

Amends GS 48-2-204 to provide guidelines regarding the death of a stepparent seeking to adopt a juvenile prior to the entry of a final decree. Makes additional clarifying changes.

Amends GS 48-2-207 to provide that its provisions regarding notice and response time apply to an individual who is described in GS 49-3-601 (person whose consent to adoption is required) or entitled to notice under GS 48-2-401.

Makes technical and conforming changes to GS 48-2-302.

Amends GS 48-2-305 by deleting the requirement that the listed documents must be filed at the time the petition for adoption is filed. Instead provides that any of the specified documents that are available to the petitioner at the time that the petition is filed must be filed with the petition and that any document unavailable at the time the petition is filed is to be filed when the document becomes available. Provides that the petitioner must file or cause to be filed (1) a copy of any required pre-placement assessment certified by the preparing agency (was, and any required certificate of service), or (2) an affidavit from the petitioner stating why the assessment is not available. Expands the list of documents required to be filed to include a certificate as required by GS 48-3-307(c) and a certified copy of any conviction of a crime as specified under GS 48-3-603(a)(9) establishing that an individual's consent to adoption is not required.

Amends GS 48-2-401(c)(3) to require that notice of filing of an adoption petition must be supplied to a man whose consent to the adoption is not required under GS 48-3-603(a)(9), because of his conviction for a specified crime.

Amends GS 48-3-603(a) to include a person convicted under GS 14-27.2A (rape of a child) and whose actions resulted in the conception of the child to be adopted, as a person whose consent to an adoption is not required. Makes additional technical changes and corrections.

Amends GS 48-3-605(c) to provide that a person executing a consent document must be given an original or a copy of the fully executed consent (was, individual received or was offered a copy). Makes additional technical changes and corrections.

Amends GS 48-3-702 to add provisions governing the procedures for executing a relinquishment. Makes conforming changes, technical changes, and corrections to GS 48-3-603, GS 48-3-606, and GS 48-3-703.

Amends GS 48-3-707(a) to provide for the court-ordered voiding of a relinquishment upon the motion of a county department of social services or licensed child-placing agency, in specified circumstances.

Amends GS 50-13.1(a) to provide that a person convicted under GS 14-27.2A and whose actions resulted in the conception of a child cannot claim the right to custody of that minor child.
