Midwifery standards must be consistent with the standards of care established by the American College of Nurse-Midwives. Provides criteria for petitioning for the expunction of a drug offense from the person's criminal record, including conditions to be met (including being clean for at least one year before petitioning), timing for filing the petition (15 years after specified events), and the content of the petition for expunction.

However, persons seeking certification under GS Chapter 17C or 17E are required to disclose any and all convictions to the certifying commission, regardless of whether or not the convictions were expunged under this statute.

Requires the reversal of any administrative actions taken against a person whose record is expunged. However, this subsection does not apply to the Department of Justice for DNA records and samples stored in the state DNA Database and the state DNA Databank or to fingerprint records.

Sets a filing fee for an expunction of a criminal record under this statute at \$175 paid to the clerk of superior court. Collected fees are to be deposited in the General Fund and this subsection does not apply to indigent persons who file a petition.

Amends the meaning of *nonviolent misdemeanoror nonviolent felonyas* used in GS 15A-145.5(a)(5) to delete language that excluded the terms from referring to any felony offense in GS Chapter 90 involving methamphetamines, heroin, or possession with intent to sell or deliver or sell and deliver cocaine.

Makes conforming changes toGS 15A-151(a), GS 17C-13(b), and GS 17E-12(b).
