Filed Mar 7 2013, *A BILL TO BE ENTITLED AN ACT TO ALLOW NORTH CAROLINA CONSUMERS TO ENJOY THE BENEFITS OF ENHANCED COMPETITION IN THE AUTOMOBILE AND MOTORCYCLE INSURANCE MARKET AND TO RESTORE FAIRNESS BY ENDING SUBSIDIES FOR HIGHER RISK DRIVERS.*

Identical to [S 154](#), filed 2/28/13.

Adds a new Article 37A in GS Chapter 58 to allow certain types of motor vehicle insurance filings to take effect on or after the date they are filed. Applies to filings for nonfleet private passenger motor vehicle insurance rates made by an insurer that provides for an overall statewide rate increase or decrease of no more than 12% when aggregated for all policyholders and all coverages subject to the filing. Insurers may only make one rate change during any 12-month period using this expedited process unless the combination of all rate changes during the 12-month period do not result in an overall increase or decrease of more than 12%. If the rate filing provides for an overall statewide rate increase or decrease greater than 12%, the filing may not be expedited under Article 37A but rather remains subject to Articles 40 and 41.

A filing under the expedited procedure in Article 37A is deemed approved by the Commissioner of Insurance upon filing. The Commissioner may subsequently disapprove of the filing after conducting a hearing and issuing a written determination that the filing is excessive, inadequate, or unfairly discriminatory. If the Commissioner disapproves of the filing, the decision is not retroactive and does not affect any insurance contracts issued or made before the effective date of the order. Makes conforming changes to GS 58-40-30 and GS 58-41-50.

Adds a new Article 36A in GS Chapter 58 to provide that by January 1, 2015, insurers writing nonfleet private passenger motor vehicle insurance (as defined in new GS 58-36A-1) may choose to develop rates and forms subject to either Article 36 or Article 40 and new Article 37A. Makes conforming changes to GS 58-40-15.

Amends GS 58-3-25, which prohibits certain types of insurance discrimination. Removes the prohibition on basing any standard or rating plan for private passenger automobiles or motorcycles, in whole or in part, directly or indirectly, upon

the age or sex of the persons insured.

Adds new GS 58-40-17 to allow insurers to adopt rules allowing an insured with more than four private passenger motor vehicles to be covered under a nonfleet private passenger motor vehicle policy that is subject to Article 40.

Adds new GS 58-40-150 to allow an insurer to take action if an applicant for a nonfleet private passenger motor vehicle policy knowingly makes a material misrepresentation related to the the experience or driving record of insureds or other operators.

Adds new GS 58-40-145 to provide that Article 40 does not apply to certain types of insurers, specifically to any town or county farmers mutual fire insurance association with limited operations and certain insurers doing business in the state on the assessment plan. Adds new GS 58-37A-15(a) exempting the same categories of insurers from new Article 37A.

Adds new GS 58-37A-15(b) to provide that GS 58-36-90 (related to prohibitions on using credit scoring in rating) and GS 58-36-95 (related to estimates based upon the use of nonoriginal crash repair parts) apply to insurers that elect to develop private passenger auto and motorcycle rates and forms pursuant to new Article 37A.

Amends GS 58-37-35, which relates to the North Carolina Motor Vehicle Reinsurance Facility (Facility). Under current law, Facility reinsurance rates must be calculated on an actuarially sound basis except that "clean risks" must not exceed rates charged to "clean risks" who are not reinsured in the Facility. The changes to the section would phase out the differential in rates for "clean risks" over five years. The change would be effective January 1, 2014. Another change would amend the same statute again effective January 1, 2019, to remove all of the provisions related to clean risks in the statute.

Directs the Facility to report to the Joint Legislative Commission on Governmental Operations on or before October 1, 2016 (and again by October 1, 2018) on the impact of the legislation on the Facility's market share.

Effective January 1, 2015, unless otherwise indicated.

Amends GS 113-270.1A (*Hunter safety course required*), requiring that any person procuring a hunting license in North Carolina must produce a hunter education certificate of competency, a NC hunting heritage apprentice permit from the Wildlife Commission (Commission), or a hunting license issued prior to July 1, 2013, by the Commission.

Exempts people who qualify for a disabled license, pursuant to GS 113-270.1C(b)(5) or (6), GS 113-270.1D(b)(7) or (8), or GS 113-351(c)(3)(f) or (g), from complying with GS 113-270.1A(a), the section above (previously, only exempted those that qualified for a totally disabled combination license under GS 113-270.1C(b)(4)), when the same only makes use of the license when accompanied by an adult of at least 18 years of age who is licensed to hunt and when the licensed adult maintains a proximity close enough to remain within sight and hearing distance without the help of electronic devices (previously, only

stated that the disabled hunter must be accompanied by an adult and that the adult must stay close enough to communicate with the disabled hunter).

Makes technical and conforming changes to GS 113-270.1A(b). Also expands the organizations that the Commission may work with to develop courses.

Amends GS 113-270.1A(c) to state that, on or after July 1, 2013 (was, on or after July 1, 1991), any person who obtains a hunting license by a fictitious certificate of competency or through other means of fraud will have his or her hunting privileges revoked by the Commission for a period not to exceed one year.

Amends GS 113-274(c) by enacting new GS 113-274(c)(3c), which provides for the issuance of a Hunting Heritage Apprentice Permit by the Commission. The permit authorizes a person that does not meet the hunter education course requirements to purchase a hunting license and hunt if accompanied by an adult at least 18 years old who is licensed in North Carolina, or if accompanied by an adult landholder or spouse that is exempt from the hunting license requirement pursuant to GS 113-276(c) if hunting on the landholder's land. Defines accompanied as previously described in GS 113-270.1A(a1). Hunting with a permit issued pursuant to this section but not complying with all the requirements violates GS 113-270.1B, hunting without first procuring a current and valid license.

Amends GS 113-276, making technical and conforming changes.

Act replaces references to hunter safety with hunter education throughout. Also, elaborates that being accompanied by an adult signifies having a person 18 years of age or older maintain a proximity close enough to remain within sight and hearing distance without the help of electronic devices.

If the action would leave the corporation with a continuing business activity of at least 25% of total assets at the end of the most recent completed fiscal year and at least 25% of either (1) income from continuing operations before taxes or (2) revenues from continuing operations for that fiscal year, then the action will be considered to be of less than all, or substantially all, of the corporation's property.

Enacts new GS 153A-158.1A authorizing counties to elect by resolution to assume responsibility for some or all of "owning, siting, acquiring, constructing, equipping, expanding, improving, repairing, and renovating" property that is for use by a specified local school administrative unit (LEA) that is located entirely within the county. Provides that the county's authority extends only to the extent that the terms and conditions are specified in the board of county commissioners' resolution. Prohibits the LEA from exercising any power over the areas over which the county commissioners have elected to assume authority via resolution. Permits the commissioners to elect to leave the LEA with the responsibility for equipment and for maintenance and repairs in categories or amounts as named in the resolution. Mandates that responsibility for school property that is transferred by resolution under this statute is for a period of no less than 10 years and that the election may be renewed in 10-year increments by subsequent resolution of the commissioners.

Directs the county to consult with the board of education about actions involving the siting, design, construction, equipping, expansion, improvement, or renovation of property for use by an LEA.

Authorizes a county to provide by resolution that any current or future interest in real property or school capital funds vests in the county. Requires that the clerk of the board of commissioners certify the resolution and send it to the clerk of the board of education. Allots 30 days from the entry of the resolution for the board of education to execute any documents or deeds to complete the transfer under the exact terms as set out in the resolution. Directs the county to pay any costs associated with executing the documents and completing the transfer.

Defines *interest in real property* and *school capital funds* as the terms are used in this section. Provides a county issuing a resolution under this section may contract for insurance or leave the current risk management programs operated by the school board in place. Attaches no liability to the county for acts or omissions of school employees in or on school property that is owned, acquired, leased, or improved by the county via a resolution elected under this section.

Provides that any real or personal interest in school property, acquired by a county under this section, is presumed to be for the exclusive use of the LEA for public school purposes and acquisition of property per the provisions of this act does not constitute the exercise of eminent domain and does not entitle the LEA or local board of education to any funds or other consideration for any property acquired or transferred to the county under this section.

Amends GS 115C-207(2) to provide that if a county has assumed ownership of school property, the local board of education can only permit use of the school property as authorized by the county commissioners. Amends GS 115C-426 to provide that the capital outlay is not to include appropriations for the purposes for which the county has assumed responsibility under proposed GS 153A-158.2.

Assigns responsibility in GS 115C-519 to the clerk of the board of county commissioners for safe keeping for all deeds to school property owned by a county after the deeds are registered.

Makes additional conforming changes to GS Chapter 115C regarding the authority of county commissions which elect to assume responsibility for construction, improvement, ownership, and acquisition of public school property by resolution under proposed GS 153A-158.1A.
