H 150 (2013-2014) [ZONING/DESIGN & AESTHETIC CONTROLS](#). Filed Feb 26 2013, *A BILL TO BE ENTITLED AN ACT TO CLARIFY WHEN A COUNTY OR MUNICIPALITY MAY ENACT ZONING ORDINANCES RELATED TO DESIGN AND AESTHETIC CONTROLS*.

Senate committee substitute makes the following changes to the 3rd edition.

Makes a technical change.

Amends GS 160A-381(g) to allow enforcement of zoning and development regulation ordinances relating to building design elements when the structures are located in an area designated as an historic district on the National Register of Historic Places (was, structures listed in the National Register of Historic Places).

Amends GS 160A-381(g) and GS 153A-340(k), providing that the phrase *building design elements* does not include regulations adopted pursuant to this Article governing the permitted uses of land or structures subject to North Carolina Residential Code for One- and Two-Family Dwellings. Makes conforming changes, deleting GS 160A-381(g)(7) and GS 153A-340(k)(7), an exception allowing the enforcement of regulations and zoning ordinances related to design and aesthetic controls.

Amends the enacting clause, providing that it is effective when it becomes law and that it clarifies and restates the intent of existing law and applies to ordinances adopted before, on, and after the effective date (previously, once effective it applied to development approvals granted on or after that date).

S 144 (2013-2014) [NONPROFIT GRANTS/INCREASE ACCOUNTABILITY](#). Filed Feb 27 2013, *A BILL TO BE ENTITLED AN ACT TO IMPROVE THE OVERSIGHT OF STATE GRANTS TO NON-STATE ENTITIES AND TO INCREASE THE ACCOUNTABILITY OF GRANTEEES WHO RECEIVE STATE GRANTS, AS RECOMMENDED BY THE JOINT LEGISLATIVE PROGRAM EVALUATION OVERSIGHT COMMITTEE.*

Senatecommittee substitute makes the following changes to the3rd edition.

Makes technical and conforming changes to Section 1, GS 143C-6-23. Adds language to the definitions of "grantee" and "subgrantee," elaborating and establishing conditions that, upon meeting one of the conditions, qualifies an entity to be considered as such.

Amends GS 143C-6-23(d)(5a) and (5b), making clarifying and technical changes. Creates new GS 143C-23(d)(5c), requiring an administering State agency and the Office of Budget and Management (OSBM) to provide an accounting of withheld funds that is separate from other funds used for oversight and monitoring, and that the accounting be made available to a grantee or subgrantee upon request.

Amends subdivision (6) of GS 143C-6-23(d) to delete provisions that the mandatory periodic reporting requirements require grantees and subgrantees to filecopies of reports and statements filed with state agencies underwith theState Auditor,except for the information described in subsections (b) and (c) of this section.

Makes technical and clarifying changes to GS 143C-6-23(d)(6a) and (9a).

Amends GS 143C-6-23(f), providing the OSBM authority to take actions for noncompliance. Requiresconsultation with a granting agency of the US and the State Agency if the funds are pass-through funds from a US agency, before taking actions for noncompliance. Authorizes actions for noncompliance, including suspension of grant funds, after certain conditions are met.

Deletes GS 143C-6-23(f1), where the withholding of 2% for grant oversight costs was authorized, with the appropriate approval, and .5% withholding was authorized, for grant oversight costs,without any approval required.

Amends GS 143C-6-23(h), deleting the requirement to report noncompliance to the Joint Legislative Commission on Governmental Operations and the Fiscal Research Division, in lieu of maintaining a publicly available list of all grantees or subgrantees that are in noncompliance.

Amends GS 143C-6-23(i), to require that state agencies submit a list of every grantee to whom the state agency disbursed grant funds to the Office of State Budget and Management (OSBM) in the format prescribed by the OSBM (was, to the State Auditor in a format prescribed by the Auditor).

Amends GS Chapter 143C, enacting a new GS 143C-6-24 (Reserving of Grant Program Funds for Oversight), creating a mandatory requirement that state agencies that are overseeing grant programs must reserve 2% of the amount awarded to cover oversight costs. Requires 25% of that amount to be transferred to OSBMto cover costs of overseeing grants to non-state entities. If the amountreserved appears to be in excess of the amount required for oversight, theamount of thereserve can be reduced. Reductions can be approved by request from an administering state agency or without request and upon determination by the OSBM. Permits a grantee to recommend a reduction of the reserve amount to the administering state agency and to the OSBM; however, prohibits using an adverse determination by the OSBM as grounds for an appealby the grantee under GS Chapter 150B.

Reserveamounts will be reviewed annually by the OSBM, with adjustments tothe reserve amount possible at any time.

Prohibits reserving funds under this section if a grant program is a pass-through of funds from the federal government and the terms prohibitthe reserving of fundsdescribed by this section.Makes technical and clarifying changes to GS 143C-6-23(d),

requiring grantees to submit a financial position report in a form specified by OSBM within 90 days of the end of the state fiscal year.
