Assigns responsibility to the Secretary of Health and Human Services (Secretary) as part of the the Secretary's duties in reassigning a contract to a compliant LME/MCO and overseeing the transfer of operations and contracts, to arrange for the service providers to be reimbursed from the remaining fund balance or risk reserve of the noncompliant local management entity/ managed care organization (LME/MCO), or from other funds of the Department of Health and Human Services (DHHS) if necessary, for all proper, authorized, and valid claims for services rendered that were not previously paid by the noncompliant LME/MCO.

Provides that with regards to the dissolution of a noncompliant LME/MCO, all of its assets, including any balance in its risk reserve are to be transferred to the compliant LME/MCO after reimbursements have been made to service providers under subdivision (1) of this subsection. Further clarifies the authorized use of risk reserve funds. Requires the Secretary to guarantee any needed risk reserves for the compliant LME/MCO arising from any additional assumed risks until the compliant LME/MCO has established 15% risk reserves. Declares that any LME/MCO dissolved by the Secretary under this section may be dissolved at any time during the fiscal year.
