H 937 (2013-2014) [AMEND VARIOUS FIREARMS LAWS](#). Filed Apr 11 2013, *AN ACT TO AMEND STATE FIREARMS LAWS.*

Senate committee substitute makes the following changes to the 2nd edition.

Changes the long title.

Amends subsections GS 14-269.2(i)(4b) and GS 14-269.2(j)(4b), clarifying that, under specific situations, employees of an institution of higher education or nonpublic post-secondary educational institution, or a public or nonpublic school, residing on campus can have a handgun in the employee's vehicle or possess it outside the premises of the employee's residence when the employee is immediately leaving the campus or is driving directly to his or her residence from off campus (previously, provisions only provided for such possession when the employee was leaving campus).

Amends GS 14-269.2(k), providing that the provisions of this article do not apply to a person with a valid concealed handgun permit or a person who is exempt from obtaining such a permit and has a handgun in a closed compartment or container in the person's locked vehicle or in a locked container affixed to the person's vehicle. Provides that the person can unlock the vehicle to enter or exit provided the firearm remains in the closed compartment at all times and the vehicle is immediately locked upon entrance or exit (previously, set out specific types of educational property required for the exemption to be valid; exemption now applies to all types of educational property).

Amends GS 14-269.3(b), making a technical change.

Amends GS 14-415.17 to prescribe that a sheriff maintain as confidential (1) the list of persons who are issued a gun permit and (2) the information collected by the sheriff to process an application for a gun permit. However, maintains requirements that the sheriff make the list of permit holders and their permit information available upon request to all state and local law enforcement officials. Declares that the permit information and the list of permit holders is not a public record under GS 132-1. Directs the State Bureau of Investigation to make the list of permit holders and the information collected by the sheriff to process an application available to law enforcement officers statewide, but eliminates any requirement to share information with clerks of court on a statewide system.

Amends GS 14-406 to require that a dealer of pistols and other weapons is to keep records of sales confidential and that such

records are not a public record under GS 132-1; however, requires the dealer to make the records available upon request to all state and local law enforcement agencies.

Amends GS 14-269.4, clarifying that the exemption for concealed carry permit holders also applies to those who are exempt from obtaining a concealed carry permit because of federal law which authorizes them to carry as current and retired law enforcement officers.

Enacts new subsection (d) to GS 14-277.2, providing an exception to the prohibition of concealed weapons at parades and funeral processions, allowing persons with a concealed carry permit to carry a concealed handgun, as long as the person in legal possession or control of the property on which he or she is carrying has not posted a notice prohibiting concealed handguns.

Amends GS 14-415.21, which provides criminal penalties for violating the conditions of a concealed carry permit, increasing the penalty for carrying on property that has a posted notice prohibiting the carrying of concealed weapons and for carrying concealed weapons while consuming alcohol or alcohol in the person's system from a Class 2 misdemeanor to a Class 1 misdemeanor. Makes a conforming change in GS 14-415.21(b).

Repeals GS 14-402, 14-403, 14-404, 14-405, and 14-407.1, all sections containing provisions regarding the pistol permit system, effectively repealing the pistol permit system. Amends GS 14-315(b1) and GS 20-187.2(a), making conforming changes in regards to the repeal of the pistol permit system.

Deletes changes made to GS 14-404(g) in the previous edition, which provided that an applicant cannot be ineligible to receive a specified permit because of an adjudication of mental incompetence.

Amends GS 14-415.18, requiring a sheriff to revoke the concealed carry permit of any person who has been adjudicated guilty of or receives a prayer for judgment continued for a crime that would have disqualified the permittee from initially receiving a permit. Requires the sheriff to issue a written notice to the permittee of the revocation. Upon receipt of the notice the permittee is required to surrender the permit. Provides for an appeal procedure for the revocation.

Amends GS 14-269(b) and GS 14-415.27, allowing any North Carolina district court or superior court judge, magistrate, clerk of court, or register of deeds that has a concealed handgun permit to be exempt from the general prohibition against carrying a concealed weapon and from the prohibitions of carrying a weapon in certain areas, premises, or in certain circumstances, unless prohibited by federal law, including but not limited to courthouses and correctional facilities.

Amends GS 113-291.1(c), to allow hunting with a suppressor or other device designed to muffle or minimize the report of a firearm that is lawfully possessed.

Amends GS 14-415.10 and GS 14-269(b), concerning retired law enforcement officers, amending the definition of *qualified retired law enforcement officer* in regards to applying to the carrying of a concealed handgun, making it consistent with the federal law definition. Makes conforming and clarifying changes.

Amends the enactment clause, providing that Sections 1-6, 14-18, 21, 23, and 25 of the act will become effective October 1, 2013, and apply to offenses committed on or after that date. Prosecutions for offenses committed before the effective date of the act are not abated or affected by this act, and the statutes that would be applicable but for this act remain applicable to those prosecutions. The remainder of this act becomes effective October 1, 2013.

Senate committee substitute makes the following changes to the 3rd edition.

Makes organizational changes to GS 106-701, incorporating subdivisions (1), (2), and (3) of subsection (a) into that subsection.

Amends subsection (a1) to specify that the provisions of subsection (a), as amended in this act, do not apply when a plaintiff demonstrates that the agricultural or forestry operation has undergone a fundamental change. Amends GS 106-701(a1)(2) to provide that an interruption of farming for a period of no more than three years also does not constitute a fundamental change (was, provided that a fundamental change did not include a nonpermanent cessation or interruption of farming).

Reinstates subsection (f) to GS 106-701 to provide for the award of costs and attorneys' fees to a prevailing defendant in a civil action in which an agricultural or forestry operation is alleged to be a nuisance (this subsection was in the 1st and 2nd edition of this bill and deleted in the 3rd edition).

Senate committee substitute makes the following changes to the 3rd edition.

Amends the short and long title of this act.

Deletes changes to subsection (b) of GS 143-135.37, which permitted a construction project to use a nationally recognized high-performance environmental building rating system meeting certain qualifications to achieve sustainable building standards. Instead, adds two new subsections, (a1) and (f), to GS 143-135.37.

Amends subsection (e) to direct the governmental entity, following an evaluation of the qualifications of the design-builders, to rank those who have made responses to the request for proposals, grouping the top three without ordinal ranking. Requires the governmental entity to make a selection from the grouping of the top three design-builders, selecting the lowest, responsive bidder based on the cumulative amount of fees provided under subdivision (d)(10) of this section, and taking into consideration (1) quality, (2) performance, and (3) the time specified in the proposals for the performance of the contract.

Amends GS 143-128.1C(g)(2)b to provide that a claimant's service on a private developer of a claim of lien on real property or a claim of lien on funds as allowed by Article 2 of GS Chapter 44A, is deemed to be adequate notice under this section.

Amends GS 143-128.1C(g)(9) to provide that the obligations and liens set out in Article 2 of GS Chapter 44A apply to a project awarded under this section to the extent that a private developer holds any property interests in the project. Also provides that the private developer is to be deemed to be the owner to the extent of that private developer's ownership interest. Specifies that this subdivision is not to be construed to make the provisions of Article 2 of GS Chapter 44A apply to governmental entities or public buildings to the extent of any property interest held by the governmental entity in the building (was, this section provided that the provisions of this subsection were not to be construed to limit rights given to claimants under subsection (g)).

S 315 (2013-2014) [MUNICIPAL SERVICES \(NEW\)](#). Filed Mar 13 2013, *A BILL TO BE ENTITLED AN ACT TO PROVIDE THAT WHEN A PROPERLY SUBMITTED VOLUNTARY ANNEXATION PETITION IS DEFEATED BY VOTE OF THE MUNICIPAL GOVERNING BODY THE MUNICIPALITY MUST PROVIDE SOME MUNICIPAL SERVICES UPON PAYMENT OF DEFINED COSTS, TO LEGISLATIVELY ANNEX CERTAIN PROPERTY TO THE CORPORATE LIMITS OF THE CITY OF DURHAM THAT WAS PETITIONED FOR ANNEXATION, AMENDING THE CHARTER OF THE CITY OF DURHAM TO ALLOW THE CITY TO DELAY THE EFFECTIVE DATE OF VOLUNTARY ANNEXATIONS, AND TO AUTHORIZE THE CITY OF DURHAM TO USE DESIGN-BUILD DELIVERY METHODS FOR THE DESIGN AND CONSTRUCTION OF A POLICE HEADQUARTERS AND ANNEX FACILITY, TWO POLICE SERVICE CENTERS, AND A 911 FACILITY, AND AUTHORIZING THE COUNTY OF DURHAM TO CONSTRUCT WATER TREATMENT PLANT AND WASTEWATER TREATMENT PLANT PROJECTS WITHOUT COMPLYING WITH SPECIFIED PROVISIONS OF ARTICLE 8 OF CHAPTER 143 OF THE GENERAL STATUTES, AND CONCERNING NOTES OR DEEDS OF TRUST TO RESERVE WASTEWATER TREATMENT CAPACITY.*

House committee substitute makes the following changes to the 3rd edition.

Changes the short and long title.

Enacts new section GS 160A-328, *Provision of municipal services to certain properties*, providing that a municipality must provide specified municipal services to any property if that property owner submitted a petition for voluntary annexation and the municipal governing board voted on an annexation ordinance for that property but the annexation ordinance failed. Sets out the requirements that the property owner must meet for this section to apply. Establishes that a municipality providing services to a property as described above cannot impose terms on the property owner that are more burdensome than those set out in this

section, including requiring the payment for the cost and expense of certain infrastructure improvements and the charging of twice the rate for water and sewer services. Sets out provisions regarding the maintenance and reimbursement of certain improvements to property. Provides that if the municipality or the General Assembly annexes any of the property receiving service, then the municipality cannot continue to charge twice the rate for water and sewer services. Establishes that the neither the municipality or the county can change the zoning designation without the consent of the owner and sets out the definition of *municipal services*. Establishes, effective June 3, 2023, that the corporate limits of the City of Durham (Durham) are extended by annexing specified property as described in the act.

Amends SL 1975-671, to allow Durham to award contracts for the design and construction of a police headquarters and annex facility, two police service centers, and a 911 facility without being subject to GS 133-1, 133-2, 133-3, or the provisions of Article 3D and Article 8 of GS Chapter 143. Authorization is granted to use design-build, design-build-operate, design-build-operate-maintain, or any combination of the above.

Durham must obtain proposals from at least three design-build teams for the authorized projects above. If three proposals are not received and the project has been publicly advertised for a minimum of 30 days, Durham can proceed with the proposals received. The evaluation of the proposals is not exempt from the requirements of the city's Equal Business Opportunity Program Ordinance.

The city council must award the contract to the best qualified design-build team, taking into consideration several factors that it determines as having a material bearing on the proposal.

Provides that Durham County can award contracts for the design and construction or design, construction, and operation of water treatment and wastewater treatment plant projects without being subject to the requirements of GS 143-128, 143-129, 143-131, 143-132, 143-64.31, and 143-64.32. Authorization is granted to use design-build, design-build-operate, or a request for proposal and negotiation as an alternative design and construction method.

Durham County must obtain proposals from at least three design-build teams for the authorized projects above. If three proposals are not received and the project has been publicly advertised for a minimum of 30 days, Durham County can proceed with the proposals received. The board of commissioners will award the contract based on specified criteria.

Establishes that no note or deed of trust granted to a county for the purpose of securing or reserving wastewater treatment capacity is valid or enforceable if that capacity is not utilized by the maker or grantor.

Provides that if a final order by a court of competent jurisdiction finds that any portion of this act is unconstitutional, then Sections 1, 2, and 6 of the act are void.
