Also provides that this Article does not apply if the evidence of the use or display of the firearm is needed to prove an element of the firearm-related felony. Also provides that firearm-related felonies committed before the age of 18 will not constitute more than one firearm-related felony.

Authorizes the district attorney to charge a person as a status offender under this Article at the district attorney's discretion.

Provides that the Board will not allocate the \$10,000 in funds unless a copy of a joint resolution, adopted by the Hickory Public Schools and the Newton-Conover City Schools boards of education, setting a date to begin the pilot program, is received.

House amendment #25.

Amends Section 10.15(c), concerning audits of the community college system, providing that a study of the program audit function under GS 115D-5(m) will be conducted by a committee, which will be located administratively in the Community Colleges System Office and composed of 12 members, including the Community Colleges System Office Chief Financial Officer, three State Board of Community College members, three college presidents, three college board of trustee members, the State Auditor or designee, and the State Chief Information Officer or designee. Specifies who will make the appointments of the above individuals. Sets out the processes and procedures of the committee.
