Senate committee substitute to the 3rd edition makes the following changes. Amends GS 126-2 to provide that five (was, six) members of the State Personnel Commission constitute a quorum. Also deletes the proposed requirement that the Governor consider nominations submitted by the State Employees Association of North Carolina for the Commission member who was a veteran of the US Armed Forces.

Amends GS 126-1.1 by deleting the proposed changes to the definition of *career state employee* to now mean a state employee or employee of a local entity covered by GS Chapter 126 who is in a permanent position and has been continuously employed by that entity in a position subject to the State Personnel Act for the immediate 24 preceding months.

Amends GS 126-5(d)(1) by deleting the provision that allowed the Governor to designate up to 1% of the total number of full time positions in the Department of Public Safety, with a cap of 100, as exempt managerial positions and allowing the Governor to increase by five the number of exempt policy making positions at the Department, not to exceed 105 total exempt policy making positions.

Provides that an aggrieved party in a contested case is entitled to judicial review of a final decision through appeal to the Court of Appeals. Requires the appeal to be taken within 30 days of receiving the written notice of final decision. Makes conforming changes. Allows an employee to appeal an involuntary nondisciplinary separation due to an employee's unavailability as if it were a disciplinary action, but provides that the agency has only the burden to prove that the employee was unavailable. Adds that the remedies provided in this statute in a whistleblower appeal are the same as those in GS 126-87. Requires OAH to report on a semi-annual basis to the Office of State Personnel and the Joint Legislative Administrative Procedure Oversight Committee on the number of cases filed under this statute and the number of days between the filing and closing of each case. Makes conforming changes to GS 126-34.2. Deletes GS 126-36.1 (appeal to OAH by applicant for employment).

Amends GS 126-34.3 to provide that a decision by OAH on assessing or refusing to assess reasonable witness fees or attorneys' fees is subject to judicial review. Allows the reviewing court to reverse or modify the decision if it is unreasonable or the award is inadequate. Provides that an employee who obtains a reversal or modification of the OAH's decision in an appeal is entitled to recover court costs and reasonable attorneys' fees for representation on the appeal.

Amends GS 126-35, prohibiting the discharge, suspension, or demotion of a career state employee for disciplinary reasons, except for just cause, to give the employee 15 days from the date the statement is delivered to appeal to the head of the agency through the agency grievance procedure for a final agency decision. Provides that if the employee is not satisfied with the final agency decision or is unable, within a reasonable period of time to obtain a final agency decision, the employee may appeal to OAH. Deletes the provision prohibiting a reduction in pay or position which is not imposed for disciplinary reasons from being considered a disciplinary action; the provision treating an involuntary separation the same as a disciplinary action; and the provision placing the burden of showing a career state employee was discharged, suspended, or demoted for just cause on the department or agency employer.

Instead of amending GS 126-7.2, deletes the entire statute (concerning the time limit for appeals of applicants and noncareer state employees).

Makes conforming changes to GS 126-14.1 and GS 7A-29.

Clarifies that the SBE's and board of directors of a charter school's immunity from liability for negligence does not extend to gross negligence, wanton conduct, or intentional wrongdoing. Requires that within one year or after a charter school begins operations, the school's population should reasonably reflect the racial and ethnic composition of the population that the school intends to serve that is residing within the LEA where the school is located. Permits a charter school to give enrollment priority to: (1) the siblings of currently enrolled students who were admitted to a charter school in a previous year; (2) children of all school employees; (3) the children of the board of directors for a limited three years of operations and limits the number of these children to no more than 10% of the population or 20 students, whichever is less; (4) a student previously enrolled in the charter school who left to participate in an extraordinary educational opportunity or because of a vocational opportunity for the student's parent; and (5) children of the school's principal, teachers, and teachers assistants. Specifies lottery procedures for siblings seeking admission to a charter school and clarifies the definition of *siblings* for the purposes of this section.

Provides that upon dissolution of a charter school or the non-renewal of a charter, all of the net assets of the charter school that were purchased with public funds are the property of the LEA in which the charter school is located (was, property of the state and returned to the General Fund).

Amends GS 115C-236.29G to declare that the SBE may terminate or not renew a charter based on a list of specified grounds (was, vested authority to not renew a charter or seek charter applicants in the Charter Board). Deletes additional changes from the previous edition regarding authority to not renew or terminate a charter and replaces the amended provisions with current law.

Amends GS 115C-238.29H, which directs an LEA to transfer the per-pupil share of the local current expense fund to a charter school when a student that would otherwise attend that LEA attends a charter school. Requires the LEA to transfer the funds to the charter school within 30 days of receipt of the funds into the local current expense fund and to make necessary adjustments within 30 days (was, within 30 days of certification of the average daily membership (ADM) by the SBE). Also requires a charter school receiving a greater share of funds than is required under this section to return those funds within 30 days unless the LEA and the charter school have another agreement regarding the overpayment of funds. Provides that interest at the legal rate will accrue from the date of the delinquency on funds not transferred by either the LEA or the charter school as appropriate within the 30-day requirement. Provides that before beginning an action based on a failure to transfer funds as required under this section, that the complaining party give the other party 15 days' written notice of the alleged violation.

Makes a conforming change, deleting amendments to GS 135-5.3(b) and GS 135-48.54(b) to remove references to the Charter Board, dissolved in this act.

Amends GS 143B-426.40A, adding a new subsection (m) to provide that this statute does not apply to assignments to charter schools to obtain funds for facilities, equipment, or operations under GS 115C-238.29H.

Amends the initial appointments to the Advisory Board by the Governor to include the vice -chair and the chair. Initial appointments also include one member appointed by the SBE to serve until June 30, 2015.

Provides that Section 7 of this act, which abolishes the North Carolina Charter School Advisory Council as established by the SBE on August 4, 2011, by Policy TCS-B-006 is effective August 1, 2013.

Amends this act's long title.
