Amends GS 105-241.6(b), providing a new subsection dealing with contingent events and overpayment of taxes, establishing that if a taxpayer is subject to a contingent event and files notice with the Secretary, then the period to request a refund of an overpayment is six months after the contingent event concludes. Defines a *contingent event* as litigation or a state tax audit initiated prior to the expiration of the statute of limitations under GS 105-241.6(a), which prevents the taxpayer from possessing the information needed to file an accurate request for a refund of an overpayment. Provides that "notice to the Secretary" means a written notice filed with the Secretary prior to expiration of the statute of limitations noted above. Sets out what the written notice must state and identify. Amends Section 8 of SL 2011-122, to provide that the Department of Revenue may retain the cost of collection under this section that includes costs incurred prior to July 1, 2013.

Provides that the Department of Revenue allocates and distributes to cities and counties (1) the local sales and use tax under Subchapter VIII of GS Chapter 105 and (2) a portion of various state taxes under GS Chapter 105. Requires that if the Department of Revenue is unable to accurately calculate the amount of tax proceeds to be distributed to a county or city because of implementation issues with the Tax Information Management System (TIMS), the Department of Revenue must allocate and distribute an amount to a county and city that is equal to the average of the applicable tax proceeds allocated and distributed to the county or city for the same distributional period in the three preceding fiscal years. Effective when this provision becomes law and expires on July 1, 2015.

Amends various session laws to delete exemptions from the listed counties' levy of a room occupancy and tourism development tax on accommodations furnished by the following entities (as applicable): (1) religious organizations; (2) educational organizations; (3) any business that rents fewer than five units; (4) summer camps; or (5) charitable, benevolent, and other nonprofit organizations. Amends Section 24(c) of SL 2009-445, as amended, to provide that with the exception of amendments to GS 105-330.9 and GS 105-330.11, the remainder of subsection (a) of Section 24 and all of subsection (b) of Section 24 become effective July 1, 2013, and apply to combined tax and registration notices issued on or after that date and deletes the alternative option for becoming effective when the DMV and the Department of Revenue certify that the integrated computer system or registration renewal and property tax collection for motor vehicles is in operation. Provides that counties may continue to collect property taxes on motor vehicles for taxable years beginning on or before September 1, 2013, under Article 22A of GS Chapter 105 as those statutes are in effect on June 30, 2013. Makes identical changes regarding the respective stated effective dates for Section 8 of SL 2007-471, as amended, and Section 13 of SL 2005-294, as amended.

Adds a new subsection (b2) to provide that an owner of a classified motor vehicle may appeal the vehicle's eligibility for an exemption or exclusion within 30 days of the initial decision. Provides that appeals filed under this new subsection are to proceed in the manner provided in GS 105-312(d). Effective July 1, 2013.

Additionally, provides criteria for determining the tax on a vehicle for any months during which the vehicle was not taxed between the date the registration expired and the start of the current registered vehicle tax year and designates that the vehicle is to be taxed as an unregistered vehicle under the specified criteria. Provides that a vehicle that is required under this subsection to be listed and that is not listed by January 31 and is not registered before the end of the fiscal year in which it is required to be listed is subject to discovery under GS 105-312. Specifies that interest accrues at the rate of 3/4% beginning the second month following the due date. Provides that the enforcement remedies in this subchapter do not apply to unpaid taxes on a registered classified motor vehicle for which the tax year begins on or after October 1, 2013. Effective July 1, 2013.
