House amendment makes the following changes to the 4th edition.

Amends the long title.

Amends GS 160A by enacting a new GS 160A-203, *Cities enforce ordinances in public trust areas*, providing that a city may, by ordinance, define, prohibit, regulate, or abate acts, omissions, or conditions upon the state's ocean beaches and can also prevent or abate any unreasonable restriction of the public's right to use the state's ocean beaches. Also allows a city to regulate, restrict, or prohibit the placement, maintenance, location, or use of equipment, personal property, or debris on ocean beaches. This authority extends to the state's ocean beaches within or adjacent to the city's jurisdictional boundaries. Provides that a city may enforce an ordinance adopted pursuant to this section by any remedy provided for in GS 160A-175.

Provides that this new section should not be construed to limit the authority of the state or a state agency or affect applicable common law or other authority to regulate the state's ocean beaches in the specified ways or prevent the right of the people of North Carolina to enjoy the free use and enjoyment of the state's ocean beaches.

Amends GS 113-131, making conforming changes and including a reference to GS 160A-203, providing that cities do have authority to adopt and enforce ordinances, notwithstanding GS 113-131.

Filed Mar 28 2013, *A BILL TO BE ENTITLED AN ACT TO GRANT A TAXPAYER'S REQUEST FOR A REFUND OR TO REMOVE A PROPOSED ASSESSMENT BY OPERATION OF LAW IF THE DEPARTMENT OF REVENUE HAS NOT ISSUED A FINAL DETERMINATION WITHIN THE STATUTORY TIME FRAME.*

Senate committee substitute to the 1st edition makes the following changes.

Amends GS 105-241.11 to require a taxpayer's request for review of a proposed denial of a refund or a proposed assessment to include a detailed explanation setting out the specific grounds of the request. Provides that inability to pay an assessment is not a sufficient basis for requesting review. Requests are automatically denied if the taxpayer fails to comply with these requirements. Provides that when there is an automatic denial, the Department of Revenue (Department) does not have to schedule a conference with the taxpayer and must send the taxpayer notice that the denial is final and not subject to further review. Requires the notice, in the case of an automatic denial of a request for review of a proposed assessment, to include a statement that the assessment is collectible under GS 105-241.22.

Amends GS 105-241.13(a)(3) to allow the Department to make multiple requests for information from a taxpayer concerning a request for a departmental review of a proposed denial of a refund or a proposed assessment. Requires all requests to be made 60 days before the final determination must be issued.

Amends GS 105-241.14 to add that the Secretary and taxpayer may mutually agree to reduce the nine-month period for a final determination on a proposed denial of a refund or proposed assessment. Amends the circumstances that negate the consequences of inaction by the Department as follows: (1) amends a proposed circumstance to also include that the Department made a written request for additional information and the taxpayer has not responded in a complete manner as determined by the Secretary; (2) provide in a proposed circumstance that if the time limit set for the review will expire within 60 days of receipt of the requested information from the taxpayer, the Department must review the information and either grant the refund, remove the proposed assessment, or issue a final determination within 90 days of receipt of the requested information; and (3) add a circumstance where the Department received a request for review based on a proposed denial of refund, and the denied refund is based on a specified contingent event that has not been finalized. Changes the effective date of the act to January 1, 2014 (was, when the act becomes law).

Provides that the property is conveyed "as is," "where is," without warranty, and that all costs associated with the conveyance will be borne by Gates County. Establishes that the conveyance is exempt from the provisions of GS Chapter 146, Article 7 (Dispositions) but must comply with the provisions of GS Chapter 146, Article 16 (Form of Conveyance), provided that the provisions of GS 146-74 (Approval of Conveyances) do not apply.
