House committee substitute makes the following changes to the 2nd edition.

Amends GS 115C-12 to direct the State Board of Education (SBE) to collaborate with the Department of Health and Human Services to ensure that all students in Private Psychiatric Residential Treatment Facilities (PRTFs) are provided

the procedural safeguards under Part 1D of Article 9 of GS Chapter 115C, even if the child does not meet the definition of a *child with a disability* as defined in GS 115C-106.3(1).

Amends GS 122C-23.1(d) to direct the Department of Health and Human Services (DHHS) to review a PRTF's license for appropriate action upon receiving written notice from the Department of Public Instruction that a PRTF has not provided or is not providing educational services or that the PRTF is not cooperating with the Department of Public Instruction (DPI) to ensure compliance with state and federal law. Provides that DHHS may issue sanctions on PRTFs that are not in compliance, including (1) requiring a refund of all state funds disbursed for the provision of educational services for the current fiscal year, (2) barring future funding for the provision of educational services for the current or following year, or (3) suspending or revoking the PRTF's license.

Amends new subsection (g2) of GS 122C-55 to allow a mental health facility to disclose identifying information about a client to DPI (was, to DPI and to the local school administrative unit responsible for the client) solely for educational purposes. However, allows DPI to disclose information to a local school administrative unit (LEA) as necessary.

Amends the definition for *private psychiatric residential treatment facility* in GS 122C-450 defining it as a facility other than a hospital that provides psychiatric and other behavioral services to individuals under the age of 21 in an inpatient setting licensed by DHHS as provided under GS Chapter 122C (was, means a facility, other than a hospital that is not solely funded by the state).

Amends new GS 122C-450.1 to clarify that the eligibility criteria applies to a child receiving psychiatric and other behavioral health services that the jurisdiction of the Office of Administrative Hearings to resolve disputes arising under Part 1D of Article 9 of GS Chapter 115C includes disputes involving students who do not meet the definition of a child with a disability under GS 115C-106.3(1).

Adds new subsection (c) to GS 122C-450.1 to allow PRTFs and LEAs to enter into a contract that clearly defines the educational and legal responsibilities of both parties. Directs a PRTF that enters into a contract with an LEA to submit the educational services contract to both DPI and DHHS for inclusion in any required reports to the General Assembly.

Amends new subsection (d) to require development of a memorandum of agreement or understanding between DPI and DHHS to detail how funds would be transferred from DPI to DHHS for the provision of educational services in a PRTF. Amends new GS 122C-450.3 to require DHHS to enforce the licensure requirements for PRTFs as provided under GS 122C-23.1.

Deletes provision that provided for a PRTF with a signed services agreement with an LEA for the 2013-14 and 2014-15 school years to qualify for a funding allocation from DHHS to provide unmet educational service needs not covered in the agreement.

Directs the SBE to adopt emergency rules under GS 150B-21.1A to monitor the delivery of education services in PRTFs (was, asserted that the SBE had the authority to adopt emergency rules). Deletes provisions regarding the effective expiration date of an emergency rule adopted under this section.

Makes additional clarifying changes.

H 937 (2013-2014) [AMEND VARIOUS FIREARMS LAWS.](#) Filed Apr 11 2013, *AN ACT TO AMEND STATE FIREARMS LAWS.*

Conference report to the 4th edition makes the following changes.

Amends the act's long title.

Deletes the repeal of GS 14-402, GS 14-403, GS 14-404, GS 14-405, and GS 14-407.1.

Amends GS 14-403 to require sheriffs to issue to any person, firm, or corporation in any county a permit (was, license or permit) to purchase or receive any weapon mentioned in the Article. Makes conforming changes.

Amends GS 14-404 to also remove references to a license. Adds that the sheriff's statement to an applicant as to why the sheriff has decided not to issue a permit must cite the specific facts upon which the sheriff decided that the applicant was not qualified for the issuance of a permit and list the applicable law upon which the denial is based. Adds the requirement that the sheriff keep a list of all permit denials, with the reason for the denial noted. Prohibits the list from including information that would identify the application. Makes the list a public record and requires the list to be organized by quarters of the year. Effective July 1, 2014. Adds that excluding weekends and holidays, no later than 48 hours after receiving notice of any of the judicial findings, court orders, or other factual matters relevant to any of the permit disqualifying conditions, the clerk of superior court must transmit a record of the determination or finding to be transmitted to the National Instant Criminal Background Check System (NICS). Adds that there is no limit as to the number or frequency of permit applications and no costs or fees other than the \$5 permit fee. Requires a sheriff to notice an applicant as to whether the permit will be granted or denied within 14 (was, 30) days of application. Requires the sheriff to revoke any permit upon the occurrence of any event or condition subsequent to the permit issuance, or the applicant's subsequent inability to meet a requirement under the Article, which would have resulted in a denial of the application if the event, condition or inability to meet a statutory requirement had existed at the time of application and before permit issuance. Specifies procedures that apply to revocation.

Unless otherwise indicated, above provisions amending GS 14-404 are effective October 1, 2013.

Requires the Administrative Office of the Courts to report to the Joint Legislative Oversight Committee on Justice and Public Safety by October 1, 2013, on the progress toward implementing GS 14-404(c1) (requirement that clerk transmit findings to the NICS), with recommendations for legislation. Effective when the act becomes law.

Requires the sheriff to decide whether any existing and unexpired permits are subject to revocation no later than January 31, 2014. Requires each sheriff to report by March 31, 2014, to the Joint Legislative Oversight Committee on Justice and Public Safety with the results of the review. Allows the reports to be consolidated by the NC Sheriff's Association. Effective when the act becomes law.

Amends GS 14-405 to require the sheriff's record of issued permits to include issues related to a permit revocation. Specifies that the records are confidential and not a public record, but must be made available pursuant to a court order. Amends GS 14-315(b1)(1) by removing previous changes and instead amends one of the conditions that must be met for a defense to a violation of the statute to require that the person show that the minor produced an apparently valid permit to receive the weapon, if such a permit would be required under GS 14-402 (was, GS 14-402 or GS 14-409.1) for transfer of the weapon to an adult.
