H 678 (2015-2016) **AMEND INNOCENCE COMMISSION STATUTES**. Filed Apr 13 2015, *AN ACT TO MAKE VARIOUS AMENDMENTS TO THE LAWS REGARDING THE INNOCENCE COMMISSION.*

Senate committee substitute makes the following changes to the 2nd edition.

Section 1

Deletes proposed subsection (b) to GS 15A-1475, which required the North Carolina Innocence Inquiry Commission (Commission) to submit a semi-annual report to the Director of the Administrative Office of the Courts with data on the

Commission's operations, expenses, and needs. Makes conforming changes.

Amends GS 15A-1460, which defines terms as they apply to Article 92 (North Carolina Innocence Inquiry Commission) of GS Chapter 15A, to add a new subsection to define *formal inquiry* to mean the stage of an investigation when the Commission has entered into a signed agreement with the original complainant and the Commission has made efforts to notify the victim.

#### Section 2

Amends GS 15A-1465(a), concerning the Director of the North Carolina Innocence Inquiry Commission (Director) and other staff of the Commission, to require the Director to report to the Director of the Administrative Office of the Courts, who must consult with the Commission chair. Makes technical changes.

#### Section 3

Deletes proposed subsection (h) to GS 15A-1467, concerning claims of innocence, waiver of a convicted person's procedural safeguards and privileges, formal inquiry, and notification of the crime victim, which required the Director to provide a confidential case status update to the district court attorney and defense counsel, or to the referring counsel, for each case in formal inquiry. Instead, amends GS 15A-1467 as follows.

Amend subsection (a) to provide that a claim of factual innocence for any conviction (previously, a claim of factual innocence) may be referred to the Commission by any court, a State or local agency, or a claimant's counsel (previously, included a claimant). Establishes that a claim of factual innocence for convictions of homicide pursuant to Article 6 of GS Chapter 14, robbery pursuant to Article 17 of GS Chapter 14, any offense requiring registration pursuant to Article 27A of GS Chapter 14, and any Class A through E felony may be made directly by the claimant. Establishes that a claimant who received notice pursuant to subsection (c1) of the statute and did not make a claim of factual innocence is barred from investigation of a claim of factual innocence by the Commission absent a showing of good cause and approval of the Commission Chair.

Current subsection (b) requires the Director of the Commission to obtain a signed agreement by the convicted person in which the convicted person waives his or her procedural safeguards and privileges, agrees to cooperate with the Commission, and agrees to provide full disclosure regarding all inquiry requirements of the Commission, before a formal inquiry into a claim of innocence can be made by the Commission. Current law requires that the convicted person has the right to advice of counsel prior to the execution of the agreement pursuant to subsection (b), and, if formal inquiry is granted, throughout the formal inquiry. Provides that, if counsel does not represent the convicted person, the Commission Chair is to determine the convicted person's indigency status and, if appropriate, enter an order for the appointment of counsel by Indigent Defense Service (IDS) (previously, do not specify IDS to appoint counsel) for the purpose of advising on the agreement. Further, provides that if the convicted person has requested a specific attorney with knowledge of the case, the Director is to inform IDS of that request for their consideration.

Adds new subsection (b1) to prohibit the Commission from conducting forensic testing and claimant interviews prior to obtaining a signed agreement from the convicted person.

Adds new subsection (c1) to provide, absent a showing of good cause and approval by the Commission chair, if a formal inquiry regarding a claim of factual innocence is granted, the Commission must use all due diligence to notify each codefendant of the claim and conduct an investigation, and if the codefendant wishes to file a claim, they must do so within 60 days from receipt of the notice or their claim can be barred from future investigation by the Commission.

Adds new subsection (c2) to provide that, if a formal inquiry regarding a claim of innocence is granted, the Director must provide a confidential case status update for each case in formal inquiry to the District Attorney, and the convicted person, or counsel, at least once every six months. Provides that, if there is no defense counsel, the update must be provided to the District Attorney, the convicted person, and referring counsel, if any. Requires the case status update to include a summary of the actions taken since the last update and the results of any forensic testing that has been conducted.

#### Section 4

Amends the proposed revisions to GS 15A-1468(a), concerning Commission proceedings, to establish that the Commission's rules of operation that apply to any public hearing held in accordance with the statute cannot exclude the district attorney or defense counsel from any portion of the hearing. Amends the proposed revision to subsection (a1), which authorizes the Commission chair, in the chair's judicial capacity, to compel testimony or the production of other information if the chair determines that the witness's testimony will likely be material to the investigation and necessary (previously, material to the

investigation necessary) to reach a correct factual determination in the case at hand. Amends subsection (a2), which provides for a prehearing conference, to clarify that the District Attorney, or designee, must be provided (1) an opportunity to inspect any evidence that may be presented to the Commission that has not previously been presented to any judicial officer or body and (2) any information that the District Attorney, or the District Attorney's designee, deems relevant to the proceedings (previously, any information that he or she deems relevant to the proceedings). Further provides that, at least 72 hours (previously, 24 hours) prior to any Commission proceedings, the District Attorney or designee is authorized to provide the Commission with a written statement, which is to be part of the record.

Adds new subsection to provide that, at any point in the formal inquiry regarding a claim of factual innocence, the District Attorney and the convicted person or the convicted person's counsel can agree that there is sufficient evidence to merit judicial review by the three-judge panel and bypass the eight-member panel. Requires that the Director and Chair of the Commission be notified in writing of the agreement.

Deletes proposed subsection (f), and instead provides the following in proposed subsection (g). Establishes that, except as otherwise provided in the statute, all files and records not filed with the clerk of superior court or present at the Commission hearings are confidential and exempt from the public record. Requires that, if the Commission concludes there is sufficient evidence of factual innocence to merit judicial review, the Commission must make a copy of the entire file available to the district attorney and defense counsel. In addition, upon availability, requires the Commission to provide the district attorney and defense counsel a copy of the uncertified and certified transcript of the Commission's proceedings. Establishes that, absent a judicial finding of malicious conduct, the Commission and Commission staff are not civilly liable for acting in compliance with subsection proposed(g). Moves the language of proposed subsection (g) to new subsection (h).

#### Section 5

Amends GS 15A-1469(a), concerning the postcommission three-judge panel, to direct that, if the Commission concludes, or the district attorney and the convicted person's counsel agree pursuant to GS 15A-1468(f), as enacted by the act (previously, if the Commission concludes), there is sufficient evidence of factual innocence to merit judicial review, the Chair of the Commission to request the Chief Justice to appoint a three-judge panel, as specified. Amends subsection (b) to clarify that the senior resident superior court judge in the district court of original jurisdiction (previously, did not clarify in the district of original jurisdiction) must enter an order setting the case for hearing at the special session of superior court for which the three-panel judge panel is commissioned, and require the State to file a response to the Commission's opinion within 90 days of the date of the order.

Adds new subsection (b1) to establish that the Commission's entire file, including files obtained from other agencies, is to be unencumbered by protective orders when transferred to the district attorney and defense counsel pursuant to subsection (g), unless: (1) the district attorney and defense counsel have consented to a protective order over a portion of the file, or (2) the district attorney and defense counsel have been given an opportunity to be heard by the senior judge of the three-judge panel before a protective order is issued.

Amends subsection (e) to clarify that the senior resident superior court judge in the district of original jurisdiction is to determine the convicted person's indigency status, and if appropriate, enter an order for the appointment of counsel by IDS (previously, did not specify IDS to appoint counsel). Establishes that, if the convicted person has requested a specific attorney with knowledge of the case, the Director must inform IDS of that request for their consideration.

#### Section 6

Amends proposed subsection (e) of GS 15A-1471 to provide that the Commission chair, in the chair's judicial capacity, has the authority to direct the Commission staff to search any state or local governmental agency where files or evidence relating to a claim of factual innocence are reasonably likely to be stored (previously, upon request, the Commission has the authority to search any location where files or evidence are reasonably likely to be stored relating to a claim subject to the Commission's inquiry). Makes the proposed language gender neutral.

#### Section 7

Provides that the act is effective August 1, 2016, and applies to any claim filed on or after that (previously, effective when the act becomes law). Establishes that nothing in the act abates a claim filed prior to that date or invalidate any action taken on a claim prior to that date.

S 481 (2015-2016) **FUND SM BUSINESS/DOR RULINGS/CITY RT OF WAY (New)**. Filed Mar 25 2015, *AN ACT TO ENACT THE NORTH CAROLINA PROVIDING ACCESS TO CAPITAL FOR ENTREPRENEURS AND SMALL BUSINESS ACT, TO PROVIDE PUBLIC DISCLOSURE OF WRITTEN DETERMINATIONS MADE BY THE DEPARTMENT OF REVENUE, AND TO PROHIBIT CITIES FROM CHARGING FEES FOR UTILITY USE OF RIGHT-OF-WAY.*

House committee substitute makes the following changes to the 3rd edition.

Changes the long and short titles.

Current GS 160A-293(a) grants a city the general authority and control over all public streets, sidewalks, alleys, bridges, and other ways of public passage within its corporate limits, except to the extent that authority and control is vested in the Board of Transportation. Current law delineates eight powers and duties that the general authority granted to a city includes, but is not limited to. The sixth power included in a city's general authority and control granted in subsection (c) is the power to regulate, license, and prohibit digging in the streets, sidewalks, or alleys, or placing therein or thereon any pipes, poles, wires, fixtures, or appliances on, above, or below the surface. Current law further provides that, to the extent a municipality is authorized to impose

a fee or charge with respect to activities conducted on rights-of-way, the fee or charge must apply uniformly and on a competitively neutral and nondiscriminatory basis to all comparable activities by similarly situated users of the rights-of-way. This act adds a provision to prohibit the assessment of a fee or charge for activities conducted in the right-of-way on businesses listed in GS 160A-206(b) (businesses supplying utilities), except to the extent a city's right-of-way management expenses related to the activities of the businesses exceed distributions under Article 5 of GS Chapter 105 (sales and use tax). Effective July 1, 2017.

Provides that, from the effective date of the act until July 1, 2017, no city can impose any new or increased fees or charges on the businesses listed in GS 160A-206(b) for activities conducted in the right-of-way and, subject to other applicable legal requirements, the fees or charges cannot exceed those in effect as of June 1, 2016.

House amendment makes the following changes to the 4th edition.

Amends the proposed provisions to subdivision (6) of GS 160A-296(a), which prohibits the assessment of a fee or charge for activities conducted in the right-of-way on businesses listed in GS 160A-206(b) (businesses supplying utilities), to except from the prohibition (1) fees to recover any difference between a city's right-of-way management expenses related to the activities of businesses listed in GS 160A-206(b) and distributions under Article 5 of GS Chapter 105 and (2) payments under agreements subject to GS 62-350, concerning regulation of pole attachments for public utilities (previously, only excepted fees to the extent a city's right-of-way management expenses related to the activities of those businesses exceed distributions under Article 5 of GS Chapter 105).

Also provides that local governments cannot charge premiums for an employee's dependents that exceed those set by the plan.

Amends GS 135-48.47(c) to allow local governments to elect to participate in the State Health Plan until the number of employees and dependents of employees of local governments enrolled in the Plan reaches 16,000 (set at 20,000 in previous edition) after which time no additional local governments may join the Plan. Sets out a schedule for increasing and enrolling local governments into the Plan, including allowing local governments to be admitted through June 30, 2017, until the number of local government employees and dependents reach 13,500, then through January 31, 2018, allowing the same to enroll plus the estimated number of employees and dependent's that completed the Plan's Notice of Participation Sheet prior to April 1, 2016, until enrollment reaches 16,000. After that only the limitations of GS 135-48.47 apply.

Amends deadline date in proposed GS 135-48.47(d) for withdrawal from the Plan by a local government effective January 1, 2017, now requiring withdrawal notices to be made no later than September 15, 2016 (was, October 1, 2016).

H 392 (2015-2016) **FAYETTEVILLE CHARTER/PWC CHANGES**. Filed Mar 30 2015, *AN ACT AMENDING THE CHARTER OF THE CITY OF FAYETTEVILLE TO MAKE CHANGES RELATED TO THE MEMBERSHIP AND OPERATION OF THE PUBLIC WORKS COMMISSION.*

Senate committee substitute makes the following changes to the 3rd edition.

Amends proposed Chapter VIA of the Fayetteville City Charter, concerning the Public Works Commission (Commission), providing that the Commission will have four members, with a new appointment being made in September 2016 (previously, membership of Commission was going to increase to five on October 1, 2016, with a new appointment being made in September of 2015).

Clarifies that no member of the Commission can serve for more than two consecutive terms (previously, allowed the city council to increase consecutive terms allowed by a two-thirds vote). Amends provisions concerning the powers and duties of the Commission, clarifying that the Commission is a public authority as defined in GS 159-7(b)(10), or as provided in other State statutes, except as provided for in the Charter or any Financing Documents (previously, provided the Commission was a separate and independent public authority and required the provisions of the Charter to be liberally construed to accomplish that intent and purpose). Adds additional powers and duties for the Commission, providing that the Commission is authorized to sue and be sued in its own name, as well as authorized to plead and be impleaded. Adds additional provisions concerning financial authority providing that the Commission does not have authority, without prior approval of the City Council, to expend funds or offer any kind of financial incentives for purposes not directly related to the Commission's powers and duties.

Makes clarifying changes to provisions concerning property providing that title to all real property, fixtures and appurtenances under the management of the Commission is in the name of the City with all title to personal property utilized by the Commission in discharge of its duties to be in the name of the Commission (previously only referred to plants, property, and equipment and not real property or personal property).

Amends provisions concerning remittances, first providing that the included processes and procedures for remittances are effective beginning July 1, 2016 (was, July 1, 2015). Then amends percentage amounts, requiring each month a remittance to the City of Fayetteville equal to 1/12 of an annual amount equal to 2.45% of the Total Net Position of the Electric Fund as reported and specified for each immediately preceding fiscal year ending June 30 (previously, 5% of the gross retail sales, less any taxes, of all utility services, except water and sewer services, provided to residential, commercial, and industrial customers of the Commission).

Adds language requiring the Commission's auditor to also report to the Commission in addition to the City Council.

Amends and expands provisions on Commission contracts, now requiring a majority vote of the City Council to approve contracts that expend funds in the amounts as specified (previously, contracts could be approved by at least three members of the Commission). Allows the Commission to approve contracts below the threshold amounts under GS 143-129 by approval of three members of the Commission. Also specifies that the Commission can enter into contracts not requiring City Council approval in the name of the Public Works Commission of the City of Fayetteville. However, contracts needing City Council approval or any contract involving the acquisition, titling, or conveyance of any interest in real property managed by the Commission must be entered into in the name of the City of Fayetteville.

Deletes provisions from previous edition that specified that the current members of the City's Public Works Commission could continue to serve until their successors are appointed.

Specifies that if any differences arise between Section 6A.16 of the Charter and the written agreement between the City of Fayetteville and the Commission, then Section 6A.16 of the Charter controls.

Makes conforming and technical changes.

Amends the effective date now providing that the act is effective on July 1, 2016 (was, July 1, 2015).

Requires the governing body of Yadkin County District Y and the Yadkin County Board of Commissioners to adopt any resolutions or modify any adopted resolutions to carry out the act.

Repeals Section 7 and 8 of SL 2007-340. Section 7 included provisions giving the Board of Commissioners for the Town of Yadkinville authority to levy a room occupancy tax of up to 6%. Section 8 concerned the adoption of a resolution creating the Yadkinville Tourism Development Authority.

Adds that of the funds that are used for tourism-related expenditures, one-half of those funds must be used for the construction of a sports complex by the City. Effective when the act becomes law and expires on July 1, 2026. Effective July 1, 2026, amends the same provision to now require the Jacksonville Tourism Development Authority to use at least two-thirds of the funds remitted to it to promote travel and tourism and use the remainder for tourism-related expenditures in Jacksonville (was, use at least two-thirds of the funds remitted to it for tourism related expenditures and use the remainder to promote travel and tourism in Jacksonville; also deletes the requirement that one half of the funds used for tourism related expenditures be used to construct a sports complex).

Authorizes the Sanford City Council to levy a room occupancy tax of up to 3%. Provides that the tax must be levied, administered, collected, and repealed as provided in GS 160A-215 (Uniform provisions for room occupancy taxes). Requires the

Sanford Tourism Development Authority (TDA) to use at least two-thirds of the occupancy tax proceeds to promote travel and tourism in the city and the remainder for the operation, maintenance, promotion, and renovation of the Dennis A. Wicker Civic Center; any funds dedicated for the Civic Center that are not spent or obligated by the close of the fiscal year may be used to promote travel and tourism in Sanford. Mandates that at least one-third of the TDA's members must be affiliated with businesses that collect the tax in the city and at least one-half must be currently active in the city's travel and tourism promotion. Makes conforming changes to GS 160A-215.

Creates Harnett County District H as a taxing district, with jurisdiction consisting of all of Harnett County, exclusive of the Averbosboro Township. Authorizes the governing body of Harnett County District H to levy a room occupancy tax of up to 6% and specifies that the tax is in addition to any state or local sales or room occupancy tax. Requires that any tax be levied, administered, collected, and repealed as provided in GS 153A-155 as if Harnett County District H were a county. Requires Harnett County District H to remit the net proceeds of the occupancy tax on a quarterly basis to the Harnett County District H Tourism Development Authority. The Tourism Development Authority is required to use at least two-thirds of the proceeds to promote travel and tourism and the remainder for tourism-related expenditures in the district. Mandates that at least one-third of the Tourism Development Authority members must be affiliated with businesses that collect the tax in the city and at least one-half must be currently active in the city's travel and tourism promotion. Makes conforming changes to GS 153A-155.

Amends SL 1983-983, as amended, as follows. Allows Cumberland County to levy a room occupancy tax not to exceed 3% of the gross receipts derived from the rental of any room, lodging, or accommodation furnished by a hotel, motel, or inn located in Cumberland County that is subject to the State sales tax (was, may impose and levy a tax not to exceed 3% of the gross receipts of any person, firm, corporation, or association derived from the rental of any sleeping room or lodging furnished in any hotel, motel, or inn located in the County and subject to the State sales tax). Deletes the exemptions for persons using a room or lodging for 90 days or more, and for lodgings furnished by charitable, educational, benevolent, or religious institutions or nonprofit organizations. Makes conforming changes. Requires that the net proceeds of the occupancy tax be retained by the county and be used as follows: (1) 47% invested in capital needs and improvements of facilities that enhance travel and tourism within the county; (2) 26% must be disbursed through contracting with community organizations or private vendors to promote, market, and advertise festivals, athletic events and tournaments, arts venues, cultural arts, community markets, and other events that encourage tourism and travel to the County; (3) 20% disbursed through contracting with community organizations or private vendors to market the community by advertising and promoting travel, tourism, and conventions within the County; and (4) 7% to market Cumberland county for economic development purposes. Makes conforming deletions. Deletes all provisions related to the Tourism Development Authority. Requires the Cumberland County Board of Commissioners to adopt a resolution, within 60 days of the effective date of the act, dissolving the Tourism Development Authority.

Repeals Section 7 of SL 1993-413, which established penalties for the refusal to file a return and pay the prepared food and beverage tax. Amends Section 8 of SL 1993-413 to require Cumberland County use the proceeds of the prepared food and beverage tax, as instructed in the act, and for any purpose that promotes or enhances tourism, travel, arts, entertainment, and sports venues and activities within Cumberland County (no longer requires the County to transfer the proceeds of the prepared food and beverage tax to the Cumberland County Civic Center Commission). Amends Section 11 of SL 1993-413 to no longer require the Cumberland County Board of Commissioners to repeal the food and beverage tax when the new or expanded arena facilities for which the tax was imposed are constructed and any debt for those facilities has been paid.
