H 201 (2017-2018) **NC CONSTITUTIONAL CARRY ACT**. Filed Feb 28 2017, *AN ACT TO PROTECT A PERSON'S RIGHT TO CARRY A CONCEALED HANDGUN WITHOUT A PERMIT, TO PURCHASE A HANDGUN WITHOUT A PISTOL PURCHASE PERMIT, AND TO CONTINUE ALLOWING PERSONS TO ACQUIRE A CONCEALED HANDGUN PERMIT FOR THE PURPOSES OF RECIPROCITY OR FOR ANY OTHER REASON DESIRED.*

Amends GS 14-269, which prohibits carrying concealed weapons, to establish that the term *weapon* does not include a firearm for purposes of the statute. Makes conforming changes to eliminate subsections (a1) and (a2) pertaining to carrying a concealed handgun with a permit and the punishments set out for violations of those subsections in subsection (c). Makes further conforming changes to eliminate related defenses to prosecution under this statute. Adds new subsection (a3) to clarify that the exceptions to the prohibition on carrying a concealed weapon listed in subsection (b) of the statute that include a condition that the person have a concealed carry permit require a person to have a concealed handgun permit issued in accordance with Article 54B of GS Chapter 54B or one considered valid under GS 14-415.24 (reciprocity for out-of-state handgun permits or licenses) to qualify as an exception.

Enacts Article 54C, Carrying Concealed Handguns, to establish that any person who is a US citizen and is at least 18 years old can carry a concealed handgun in North Carolina unless prohibited otherwise by law. Makes it unlawful for a person who meets any of the 14 specified criteria to carry a concealed handgun, including a person who is under indictment for a felony, or who is or has been adjudicated to be a danger to self or others due to mental illness or lack of mental capacity. Makes a violation of this prohibition a Class 2 misdemeanor for a first offense, and a Class H felony for a second or subsequent offense. Requires a person to carry valid identification when carrying a concealed handgun. Further, requires a person to disclose to any law enforcement officer that the person is carrying a concealed handgun when approached or addressed by the officer, and to display the proper identification upon the officer's request. Makes a violation of this subsection an infraction punishable in accordance with GS 14-3.1 (setting a penalty not to exceed \$100).

Prohibits carrying a concealed weapon, unless provided otherwise by law, (1) in an area prohibited by a rule adopted by the Legislative Services Commission under GS 120-32.1 concerning State legislative buildings and grounds, (2) in any area prohibited by 18 USC 922 or any other federal law, (3) in a law enforcement or correctional facility, or (4) on any private premises where notice is given by posting a conspicuous notice or statement by the person in legal possession or control of the premises that carrying a concealed handgun is prohibited. Exempts any person listed in GS 14-415.41 [intends to exempt persons listed in GS 14-269(b)] from this prohibition. Makes a violation of this statute a Class 1 misdemeanor.

Makes conforming changes to GS 14-269.3, which prohibits carrying weapons into assemblies and establishments where alcoholic beverages are sold and consumed, to exempt a person carrying a concealed handgun from the prohibition (previously, exempted persons carrying a concealed handgun with a valid permit under GS 14-415.24, a concealed handgun permit considered valid under GS 14-415.24, or a person who is exempt from obtaining a permit under GS 14-415.25). Does not make changes to the clarification that a person may not carry a handgun on any premises where the person in legal possession or control of the premises has posted a conspicuous notice prohibiting the carrying of a concealed handgun on the premises in accordance with GS 14-415.11(c). Makes similar conforming changes to GS 14-269.4 to exempt a person carrying a concealed handgun from the

prohibition on carrying weapons into certain State property and courthouses, so long as the firearm is in a closed compartment or container within the person's locked vehicle or in a locked container securely affixed to the person's vehicle (previously, exempted persons carrying a concealed handgun with a valid permit under GS 14-415.24, a concealed handgun permit considered valid under GS 14-415.24, or a person who is exempt from obtaining a permit under GS 14-415.25, who has a firearm in the locked vehicle as specified). Makes similar conforming changes to exempt carrying a concealed handgun from the prohibition of possessing any dangerous weapons at parades or funeral processions (previously, exempted persons carrying a concealed handgun with a valid permit under GS 14-415.24, a concealed handgun permit considered valid under GS 14-415.24, or is exempt from obtaining a permit under GS 14-415.25). Does not make changes to the clarification that a person may not carry a handgun on any premises where the person in legal possession or control of the premises has posted a conspicuous notice prohibiting the carrying of a concealed handgun on the premises in accordance with GS 14-415.11(c).

Amends GS 14-269.1 to include convictions under new GS 14-415.35(b) to the convicted offenses for which the presiding trial judge must order the confiscation and disposal of the deadly weapon referenced in the conviction, in the judge's discretion as specified. Also establishes that this provision applies to a conviction of any offense in addition to those specified involving the use of a deadly weapon, including a firearm.

Amends GS 14-269.2, which prohibits the carrying of weapons on any kind of educational property or to a curricular or extracurricular school-sponsored activity, as follows. Amends subsection (i) to exempt employees who reside on the higher education institution or nonpublic post-secondary educational institution at which the person is employed, who in addition to meeting other specified qualifications, has a handgun on the premises of the employee's residence or in a closed compartment or container within the employee's locked vehicle located in a parking area of the property at which the person is employed and resides (previously, exempted persons carrying a concealed handgun with a valid permit or who is exempt from obtaining a permit under Article 54B of GS Chapter 14). Makes conforming changes to eliminate provisions concerning employees who are not authorized to carry a concealed handgun pursuant to Article 54B of GS Chapter 14. Makes identical changes to subsection (j) exempting employees of a public or nonpublic school who reside on the campus of the school at which the person is employed. Makes conforming changes to eliminate reference to concealed handgun permits in the exemption set out in subsection (k), which sets out parameters for how a handgun must be kept in a locked compartment within the person's locked vehicle.

Amends GS 14-401.24, which sets out the provisions for the unlawful possession and use of unmanned aircraft systems, to make a clarifying change to define the term *weapon* to include any object capable of inflicting serious bodily injury or death when used as a weapon, including a firearm.

Amends GS 14-409.40, which establishes the regulation of firearms as an issue of general statewide concern, to provide that nothing in this statute prohibits municipalities or counties from application of their authority under GS 14-415.35 (as enacted by this act).

Amends GS 14-415.4, which provides for the restoration of firearms rights, to direct the court to deny the petition to restore the firearms rights of any petitioner if the court finds the petitioner is under indictment for a felony (previously, if the court finds that the petitioner is under indictment for a felony or a finding of probable cause exists against the petitioner for a felony).

Enacts GS 14-415.10A to provide that the State of North Carolina is to continue to make a concealed handgun permit available, even though it is lawful to carry a concealed handgun without a permit under new GS 14-415.35, to any person who applies for and is eligible to receive a concealed handgun permit pursuant to Article 54B of GS Chapter 14, reasoning that a permit is convenient for purposes of reciprocity when traveling out of state and to make the purchase of a firearm.

Amends GS 14-415.11 to eliminate the provision that allows a military concealed handgun permittee to carry a concealed handgun during the 90 days following the end of deployment when that permittee's permit has expired during deployment.

Repeals GS 14-415.22 (the construction provisions of Article 54B of GS Chapter 14).

Amends GS 74E-6 to provide that company police officers have the authority to carry concealed weapons pursuant to and in conformity with new GS 14-415.35 in addition to GS 14-269(b)(4) and (5) if duly authorized by the superior officer in charge. Company police agencies can be a hospital, a State institution, or a corporation engaged in providing on-site police security personnel service for persons or property under GS 74E-2 that is certified by the Attorney General in accordance with The Company Police Act, GS Chapter 74E.

Amends GS 74G-6 to provide that campus police officers have the authority to carry concealed weapons pursuant to and in conformity with new GS 14-415.35 in addition to GS 14-269(b) if duly authorized by their campus police agency and by the

sheriff of the county in which the campus police agency is located. Campus police agencies can be public educational institutions operating under the authority of the UNC Board of Governors or the State Board of Community Colleges and private educational institutions licensed by the UNC Board of Governors pursuant to GS 116-15 or that are exempt from licensure by the Board of Governors pursuant to GS 116-15(c) and certified by the Attorney General in accordance with The Campus Police Act, GS Chapter 74G.

Amends GS 113-136 to authorize inspectors and protectors of the Department of Environmental Quality to arrest for violations of new GS 14-415.35, subject to the direction of administrative superiors, relating to matters within the jurisdiction of the Department concerning the conservation of marine and estuarine resources and relating to matters within the jurisdiction of the Wildlife Resources Commission concerning boating and water safety, hunting and trapping, fishing, and activities in woodlands and on inland waters.

Repeals GS 14-402 through GS 14-405 (prohibiting sale of certain weapons without permit, form and issuance or refusal of permit by sheriff and related record keeping), and GS 14-407.1 (sale of blank cartridge pistols).

S 145 (2017-2018) **GOVERNMENT IMMIGRATION COMPLIANCE**. Filed Feb 28 2017, *AN ACT TO CREATE ADDITIONAL INCENTIVES FOR LOCAL GOVERNMENTS TO COMPLY WITH STATE LAWS RELATED TO IMMIGRATION, TO PROHIBIT UNC CONSTITUENT INSTITUTIONS FROM BECOMING SANCTUARY UNIVERSITIES, AND TO DIRECT THE DEPARTMENT OF PUBLIC SAFETY TO ENTER INTO A MEMORANDUM OF AGREEMENT WITH THE DEPARTMENT OF HOMELAND SECURITY.*

Recodifies GS 15A-311 (Consulate documents not acceptable as identification) as GS 64-6.

Amends GS 64-6, as recodified above, deleting language in subsection (c) which previously allowed law enforcement officers to use identity documents issued or created by individuals, organizations, or local governments for the purpose of assisting in determining the identity of a person when no other such documents are available. Makes a technical change to the section's catchline.

Enacts new GS Chapter 64, Article 3, Local Government Noncompliance with State Laws Related to Immigration, setting out specific findings of the General Assembly, including that the policy objectives of the General Assembly are frustrated when cities, counties, and law enforcement agencies do not uniformly comply with State law, and that supreme power and complete discretion over State funds appropriations can be used to create additional incentives for compliance. Sets out three definitions in use for the Article, including affected local government, law enforcement agency, and state law related to immigration - defined as GS 64-6(b) (prohibition on adopting policy or ordinance to accept excluded documents as valid id), GS 153A-145.5 (prohibition on adoption of sanctuary ordinances), GS 160A-205.2 (prohibition on adoption of sanctuary ordinances).

Directs the Attorney General (AG) to create a form upon which individuals can allege that a city, county, or law enforcement agency is currently not in compliance with a State law related to immigration. The form is to be made available on the AG's website and once completed the form should be sent to the AG. No Social Security number or notarization is required on the form. Anonymous statements submitted on a nonprescribed form are not prohibited from consideration, but all complaints or allegations must be made having a good faith belief.

Requires the AG to begin an investigation into the allegations of noncompliance within 45 days of receipt of filed statement, with a final determination and conclusion of the investigation within 60 days of the investigation's commencement. The AG is authorized to ask for assistance from the State Bureau of Investigation in conducting the investigation. Further directs local governments to produce records or documents related to the investigation within 10 business days of request by the AG. Provides that statements, records, reports, and other investigative documents are confidential and not public records until the investigation is complete or 60 days have elapsed since the investigation was commenced. Authorizes local governments to request that confidential documents be made public.

Sets out consequences of a determination that an affected local government is not in compliance with State law related to immigration. The five consequences include ineligibility for specified state distributions for a fiscal year and that the AG will notify the affected local governments, the chairs of the Appropriations Committees of the Senate and House of Representatives, the chairs of the Joint Legislative Commission on Governmental Operations, the Office of State Budget and Management, and the Secretary of Revenue of the non-compliance determination and of the duration of the period of ineligibility to receive funds. Also includes provisions detailing consequences of the AG receiving notification of noncompliance with E-verify, which include all of the above consequences. Sets out specific entities to which the consequences of noncompliance with E-Verify regulations apply. No enactment must be construed as an exception to the statute unless it specifically mentions this section.

Sets out procedures and administrative guidelines for the AG, including reporting requirements. Requires the AG to maintain a database of those entities ineligible for funds and to report to the Joint Legislative Commission on Governmental Operations on a quarterly basis concerning the numbers of statements, investigations, consequences rendered, and the names of those entities

found not to be in compliance. Further states that the AG's determination is only appealable to the extent required by the United States and North Carolina Constitutions, and delays the imposition of consequences for noncompliance while the appeal is pursued. Consequences last for the same length of time after an unsuccessful appeal as they would had no appeal been made, regardless of which fiscal years the consequences would occur in. Authorizes the AG to designate an official to carry out the duties of this regulation, and that the AG must promulgate rules needed to implement this Article.

Provides for a private enforcement action against entities that are not in compliance with State law concerning immigration, in the Superior Court of Wake County; an individual can seek relief in the form of declaratory and injunctive relief. Allows prevailing parties to receive attorneys' fees and court costs.

Amends GS 64-33.1, concerning noncompliance with E-Verify requirements, adding a new subsection (b) that requires the Commissioner of Labor to immediately notify the AG if a political subdivision of the State has violated the E-Verify requirements. The Commissioner of Labor must also notify the AG within 60 days of the violation if the political subdivision has not yet demonstrated compliance with E-Verify.

Directs the AG's office to notify local governments of the provisions of this act so steps to be in compliance can be taken.

Amends GS 136-41.1 (State distributed funds for roads of cities/towns), adding language that prohibits cities/towns from receiving their respective funds if they are ineligible due to noncompliance with state laws related to immigration.

Amends GS 105-113.82 (distribution of taxes on malt beverage and wine), GS 105-164.44F(a) (distribution of taxes on telecommunications services), GS 105-164.44I(a) (distribution of taxes on telecommunications services), GS 105-164.44L(a) (distribution of taxes on natural gas), and GS 105-187.19(b) (distribution of net tax proceeds) to reflect eligibility contingent upon compliance with new GS Chapter 64, Article 3.

The above provisions are effective August 1, 2017.

Amends GS 153A-145.5 and GS 160-205.2 to state that a county or city in violation of those statutes has waived its governmental immunity to suit.

Enacts new GS 153A-435.1 and GS 160A-485.1, waiving county and city immunity from tort liability if not compliant with GS 153A-145.5 and GS 160-205.2, and an unauthorized alien commits a crime against a person or property within the county or city, even if the county or city has not purchased insurance.

Enacts new GS 116-40.13, prohibiting constituent institutions of the University of North Carolina System from having policies that limit or restrict the enforcement of federal immigration law. Prohibits constituent institutions from prohibiting the gathering or communication of information regarding citizenship or immigration status by law enforcement. Directs the President to commence an investigation within 45 days of a report that a constituent institution is in violation of GS 116-40.13, and to make a determination within 60 days of commencement, and to notify the Board of Governors if a constituent institution is in violation. Directs the Board of Governors to immediately revoke special responsibility status from a violating constituent institution, as determined and reported by the President, for the current fiscal year. Directs the Board of Governors to extend the revocation for an additional fiscal year if the constituent institution fails to demonstrate to the President's satisfaction that it is in compliance with GS 116-40.13.

Directs the Secretary of the Department of Public Safety to enter into a memorandum of Agreement with the Director of US Immigration and Customs Enforcement to permit designated State law enforcement officers to perform immigration law enforcement functions.

Unless otherwise indicated, effective when the act becomes law.

Part I

Amends the definition of *delinquent juvenile* in GS 7B-1501(7) to add the term also includes any juvenile who, while less than 18 years of age but at least 16 years of age, commits a crime or infraction under State law or under an ordinance of local government, excluding violation of the motor vehicle laws, or who commits indirect contempt by a juvenile as defined in GS 5A-31.

Currently, the term is defined as any juvenile who, while less than 16 years of age but at least 6 years of age, commits a crime or infraction under State law or under an ordinance of local government, including violation of the motor vehicle laws, or who commits indirect contempt by a juvenile as defined in GS 5A-31.

Amends GS 7B-1601, which provides for jurisdiction of delinquent juveniles, to establish that when the district court obtains jurisdiction over a juvenile alleged to be delinquent for an offense committed while the juvenile was at least 16 years of age but less than 17 years of age, jurisdiction continues until terminated by an order of the court or until the juvenile reaches the age of 19 years. Further provides that if the offense was committed while the juvenile was at least 17 years of age, jurisdiction continues until terminated by order of the court or until the juvenile reaches the age of 20 years. Further provides that when delinquency proceedings for a juvenile alleged to be delinquent for an offense committed while the juvenile was at least 16 years of age but less than 17 years of age cannot be concluded before the juvenile reaches the age of 19 years, the court retains jurisdiction for the sole purpose of conducting proceedings pursuant to Article 22 of GS Chapter 7B (Probable cause hearing and transfer hearing) and either transferring the case to superior court for trial as an adult or dismissing the petition. Provides that when a delinquency proceeding for a juvenile alleged to be delinquent for an offense committed while the juvenile was at least 17 years of age cannot be concluded before the juvenile reaches the age of 20 years, the court retains jurisdiction for the sole purpose of conducting proceedings pursuant to Article 22 of GS Chapter 7B and either transferring the case to superior court for trial as an adult or dismissing the petition. Makes clarifying changes to existing subsections (b) and (c) concerning jurisdiction over a juvenile and delinquency proceedings to clarify that those existing provisions pertain to a juvenile alleged to be delinquent for an offense committed prior to the juvenile reaching the age of 16 years.

Provides that when the court has not obtained jurisdiction over a juvenile before the juvenile reaches the age of 18, for a felony and any related misdemeanors the juvenile allegedly committed on or after the juvenile's thirteenth birthday and prior to the juvenile's eighteenth birthday (was, sixteenth birthday), the court has jurisdiction for the sole purpose of conducting proceedings pursuant to Article 22 of GS Chapter 7B and either transferring the case to superior court for trial as an adult or dismissing the petition.

Amends GS 7B-1604(a) to establish that any juvenile, including a juvenile who is under the jurisdiction of the district court, who commits a criminal offense on or after the date the juvenile reaches the age of 18 years (currently, who commits a criminal offense on or after the juvenile's sixteenth birthday) is subject to prosecution as an adult.

Amends GS 7B-1901(a) to provide that if a juvenile is at least 16 years old and is taken into custody without a court order pursuant to GS 7B-1900(1) and if the person having the juvenile in temporary custody, while exercising reasonable discretion, decides that continued custody is unnecessary, the juvenile can be released without the presence of the juvenile's parent, guardian, or custodian. GS 7B-1900(1) allows a law enforcement officer to take a juvenile into temporary custody without a court order if grounds exist for the arrest of an adult in identical circumstances under GS 15A-401(b), which specifies when an arrest may be made without a warrant. Makes conforming changes.

Amends GS 7B-2200, concerning the transfer of jurisdiction of a juvenile to superior court, to limit the transfer of jurisdiction of a juvenile under this statute to when the juvenile was at least 13 years of age but less than 16 years of age (was, if the juvenile was 13 years of age or older) at the time the juvenile allegedly committed an offense that would be a felony if committed by an adult. Also qualifies the provisions of this statute by including an except as otherwise provided in GS 7B-2200.5 clause to the statute.

Enacts new GS 7B-2200.5 to provide for the transfer of jurisdiction to superior court of a juvenile who was at least 16 years of age at the time the juvenile allegedly committed an offense that would be a Class A, B, C, D, or E felony if committed by an adult. Sets out requirements for notice, hearing, and a finding of either return of a bill of indictment or probable cause as specified. Further provides for the transfer of jurisdiction to superior court, upon motion of the prosecutor or the juvenile's attorney or the court's own motion, of a juvenile who was at least 16 years of age at the time the juvenile allegedly committed an offense that would be a Class F, G, H, or I felony if committed by an adult. Provides for transfer only after notice, hearing, and a finding of probable cause. Makes conforming changes to GS 7B-2202(a).

Amends GS 7B-2506, which sets out alternatives the court exercising jurisdiction over a juvenile who has been adjudicated delinquent may use, to clarify that the options a judge can choose in subdivision (1) can be used in the case of any juvenile under the age of 18 years who need more adequate care or supervision or who needs placement. Additionally, limits the alternative allowing a judge to excuse a juvenile from compliance with compulsory school attendance law when suitable alternative plans can be arranged to only allow the option if the juvenile is under the age of 16 years.

Amends GS 7B-2507, concerning delinquency history levels, to establish and assign point levels for a juvenile's prior convictions that are to be added to the points assigned to each of the juvenile's prior adjudications or convictions and probation status to determine the delinquency history level of a delinquent juvenile. Assigns specified points for prior convictions based on the class of felony or misdemeanor, and includes points specifically for prior misdemeanor convictions for impaired driving, impaired driving in a commercial vehicle, and death by vehicle. Makes conforming changes.

Amends GS 7B-2513, concerning commitment of a delinquent juvenile to the Division of Juvenile Justice (Division), to break down the existing language of subsection (a) into several subsections, and limit application of the existing term limits to a juvenile who committed the offense prior to reaching the age of 16 years. Additionally establishes that for an offense a juvenile committed while the juvenile was at least 16 years of age but less than 17 years of age, the term of commitment to the Division for placement in a youth development center cannot exceed the juvenile's nineteenth birthday. Provides that for an offense the juvenile committed while the juvenile was at least 17 years of age, the term of commitment cannot exceed the juvenile's twentieth birthday.

Amends GS 7B-2515(a) to require the Division to notify the juvenile and the juvenile's parent, guardian, or custodian of the Division's intention not to release the juvenile who was committed before the juvenile reached the age of 16 years (previously did not specify the juvenile must be committed prior to reaching the age of 16 years) prior to the juvenile's eighteenth birthday, or if the Division determines the commitment should be continued beyond the maximum commitment period as set out in GS 7B-2516(a1) (as amended by this act; conforming change, was GS 7B-2513(a)).

Amends GS 7B-2603(b) to provide that pending release, a juvenile is to be detained pursuant to GS 7B-2204 (right to pretrial release, detention). Eliminates existing provisions concerning the detention of a juvenile pending release.

Makes conforming changes to GS 7B-3101(a)(2) (Notification of school when court transfers jurisdiction over a juvenile to superior court), GS 5A-31(a) (offense of contempt by a juvenile), GS 5A-34(b) (criminal and civil contempt applicable to specified minors), GS 14-208.6B (registration requirements for juveniles transferred to and convicted in superior court), GS 14-316.1 (contributing to delinquency and neglect by parents and others), GS 115C-404(a) (juvenile court information confidential), and GS 143B-805(6) (defining *juvenile* for use in provisions concerning the Division of Juvenile Justice).

Adds to the duties of the Division of Juvenile Justice set out in GS 143B-806(b) the duty to provide for the transportation to and from any State or local juvenile facility of any person under the jurisdiction of the juvenile court for any purpose required by GS Chapter 7B or upon order of the court.

Additionally requires the notice to include the victim's right to have the decision reviewed by the prosecutor. Makes conforming changes to include the victim's right to require review by the prosecutor and the prosecutor's duty to review the determination that the petition should not be filed under GS 7B-1704 and GS 7B-1705.

Amends GS 143B-806 by adding to the Division's duties the development and administration of a system to provide information to victims and complainants on the status of pending complaints and the right to request reversal of a decision not to file a petition.

Part III

Amends GS 7B-3000, concerning juvenile records, to enact a new subsection to allow a juvenile court counselor to share information obtained from a juvenile's record with law enforcement officers sworn in NC if the information is necessary to assist the law enforcement officer in exercising his or her discretion during the investigation of an alleged offense. Prohibits the juvenile court counselor from allowing a law enforcement officer to photocopy any part of the record. Additionally adds consultations with law enforcement officers to the case information that must be included in the juvenile court counselor's record required under GS 7B-3001(a).
