H 106 (2019-2020) [PED/INMATE HEALTH CARE REIMBURSEMENT](#). Filed Feb 19 2019, *AN ACT TO IMPROVE INMATE HEALTH CARE REIMBURSEMENT AND INTERNAL PROCESSES, AS RECOMMENDED BY THE JOINT LEGISLATIVE PROGRAM EVALUATION COMMITTEE.*

House committee substitute to the 3rd edition makes the following changes.

Eliminates the requirement for the Department of Public Safety (DPS) to include in its plan to increase the use of the Central Prison Healthcare Complex (CPHC) all expenditures for inmate health care services in a DPS, Health Services Section, budget code, and options for eliminating the inmate health care services structural deficit.

Deletes the changes to GS 143B-707.3(a) that required that any contracts and extensions of contracts (was, extension of contracts only) for medical services provided to inmates by contracted providers and facilities include the specified reimbursement rates and required any contracts and extensions for medical services provided to inmates by contracted providers and facilities to include the specified reimbursement rates, unless greater cost savings can be demonstrated through the use of an alternative rate.

Makes a conforming deletion of a provision in the act's effective date that required any contracts or extension of contracts or medical services provided to inmates by contracted providers and facilities entered into by or after July 1, 2019, to include the reimbursement rates in GS 143B-707.3(a).

H 645 (2019-2020) **REVISIONS TO OUTDOOR ADVERTISING LAWS**. Filed Apr 9 2019, *AN ACT TO REVISE THE OUTDOOR ADVERTISING LAWS*.

House committee substitute to the 2nd edition makes the following changes.

Modifies proposed GS 136-130.1, Unzoned commercial or industrial area criteria for outdoor advertising signs, to specify that the activities listed in subsection (c) are not considered activities for the purpose of qualifying an unzoned commercial or industrial area under the Article 11 (previously, are not considered activities qualifying an unzoned commercial or industrial area).

Deletes the provisions of Section 4, which amended GS 136-131 and GS 136-131.1, to instead maintain existing law regarding the removal of existing nonconforming advertising and just compensation for removal by local authorities. Makes conforming organizational changes.

Modifies proposed GS 136-131.3, Relocation of lawfully existing outdoor advertising sign. Now sets forth requirements for legally erected outdoor advertising signs required to be removed when property on which the sign is located is acquired by a public or private condemnor or the Department of Transportation (DOT) and permitted to be relocated and reconstructed within a two-mile radius from the existing sign location (previously provided for signs caused to be removed in instances when the property is acquired by State or local government agencies or others possessing eminent domain authority, and did not provide for relocation within a specified range of the existing location). Makes conforming changes. Regarding relocation, modifies the parameters of the relocation site permitting the site to be any area within 660 feet of the right-of-way of a highway and if applicable, within an area zoned commercial or industrial located within the same zoning jurisdiction so long as it is not located within a view corridor (was within the same zoning jurisdiction). Now requires the relocation construction work to commence within one year after the date of removal (previously alternatively within one year of the effective date of Article 11). Requires reconstruction to comply with GS 136-131.2, which provides for the modernization of outdoor advertising devices. Prohibits the sign from being relocated a distance greater than 250 feet from the lot boundaries on which the sign was previously located (was a distance greater than 250 feet from the original lot boundaries on which the sign was previously erected). Adds a new provision to prohibit relocation of the same sign under subsection (b) within a 10-year period. Specifies that the limitation does not apply to relocations on the same sign location or site. Permits owners or operators of outdoor advertising signs (was of off-premises outdoor advertising signs) to remove vegetation to improve sign visibility by obtaining the landowner's written consent and/or a selective vegetation removal permit, as previously provided. Eliminates the specified considerations the fact finder is to take into account when determining just compensation for damages to the outdoor advertising property owner in the actual relocation of the outdoor advertising under the statute. Makes clarifying, organizational and technical changes. Removes the statute's subsection descriptors. Changes the effective date to now makes the changes applicable to outdoor advertising signs removed on or after January 1, 2017 (was January 1, 2014). Adds that the one-year construction limitation commences on the effective date of the act.

Adds to the proposed changes to GS 136-133.1 concerning outdoor advertising vegetation cutting or removal. Adds that the maximum cut or removal zone for each sign face must include any area within the right-of-way between sign faces for any outdoor advertising with two sign faces. Eliminates the proposed provisions requiring DOT to approve plans for the cutting or removal of vegetation along or within medians. Now allows selective vegetation removal permittees to remove native dogwoods or native redbuds existing within or outside of the maximum cut or removal zones established under subsection (a) and (a1) so long as the permittee replaces any removed with the same species of at least a quantity that totals twice the caliper inches to a location within 2,500 feet on either side of the outdoor advertising structure, measured as provided (previously permitted removal and replacement as necessary within the cut or removal zone established in subsection (a) only). House committee substitute to the 2nd edition makes the following changes.

Eliminates subsections (b) through (i) of proposed GS 58-50-305, which set forth several requirements and limitations of health benefit plans concerning telehealth coverage. Now prohibits a health benefit plan from excluding from coverage a covered health care service or procedure delivered by a preferred or contracted health professional to a covered patient as a telehealth service solely because the service or procedure is not provided through an in-person consultation (was, referred to services generally and more broadly prohibited exclusion from coverage on grounds that the services are not being provided through in-person consultation or in-person delivery of services). Adds that a health benefit plan can require a deductible, a copayment, or coinsurance for a covered health care service or procedure delivered by a preferred or contracted health professional to a covered patient as a telehealth service, but prohibits the amount from exceeding the same required for the covered health care service or procedure provided through an in-person consultation (previously required telehealth coverage and reimbursement to be equivalent to the coverage and reimbursement for the same service provided in person).

H 1002 (2019-2020) [EXPAND USE OF CAM SYSTEMS. \(NEW\)](#) Filed Apr 25 2019, *AN ACT TO EXPAND THE USE OF CONTINUOUS ALCOHOL MONITORING SYSTEMS IN PUNISHMENTS IMPOSED FOR CERTAIN IMPAIRED DRIVING CONVICTIONS AND TO PROVIDE FOR THE PAYMENT OF AN ADMINISTRATIVE FEE AND COSTS ASSOCIATED WITH A CONTINUOUS ALCOHOL MONITORING SYSTEM AND TO CREATE A CONTINUOUS ALCOHOL MONITORING SYSTEM FUND TO ASSIST INDIGENT DEFENDANTS.*

House amendment #1 makes the following changes to the 2nd edition.

Enacts new GS 20-179.5 (Continuous alcohol monitoring; administrative fee and costs for monitoring; Continuous Alcohol Monitoring Fund), as provided in the 1st edition and removed in the 2nd edition. Provides that costs incurred to comply with continuous alcohol monitoring requirements imposed by a court are to be paid by the monitored person. Specifies an administrative fee of between \$20 and \$30 to be paid at the time of receipt of the monitoring equipment. Requires the vendor of a monitoring system to remit fees under this statute to the Division of Adult Correction and Juvenile Justice on a quarterly basis. Directs the Division of Adult Correction and Juvenile Justice to use half of the fees to pay costs incurred in ensuring compliance with court-imposed monitoring requirements, and to place the other half in the Continuous Alcohol Monitoring Fund. Creates the Continuous Alcohol Monitoring Fund, to be used to provide access to monitoring as a sentence option for indigent persons, subject to a court order that the Division of Adult Correction and Juvenile Justice should pay the cost of continuous alcohol monitoring for such a person. Makes conforming changes to GS 20-179(k4), as provided in the 1st edition and removed in the 2nd edition, authorizing a court to order the Division of Adult Correction and Juvenile Justice to pay the costs of a continuous alcohol monitoring system when the court finds that a defendant should not be required to pay the costs of the system. Makes conforming changes to the act's long title.

S 354 (2019-2020) [STUDENT NOTICE/CHARTER SCHOOL CLOSURE/RESTR.](#) Filed Mar 25 2019, *AN ACT TO REQUIRE NOTICE TO PARENTS PRIOR TO CLOSING A CHARTER SCHOOL OR MATERIALLY REVISING ITS CHARTER.*

Senate committee substitute makes the following changes to the 1st edition.

Deletes the previous provisions and now provides the following.

Enacts GS 115C-218.9 to require a charter school board of directors to notify parents of enrolled students at least 7 days prior to meeting to consider requesting a material revision of the charter. Requires the notice to be by email or the parent's preferred communication method and include the details of the meeting and a description of the proposed material revision. Encourages charter school boards to notify parents of enrolled students of the final action by the State Board of Education (State Board) regarding such a request.

Enacts GS 115C-218.97 to establish a new requirement for the Office of Charter Schools (Office) to provide for a public hearing as part of the review of the operations of a continually low-performing charter school. Provides for the location of the hearing and requires the hearing to include a presentation on the academic performance of the school and an opportunity for public comment. Mandates that at least one State Board member and one member of the Advisory Board to attend the hearing. Requires the Office to give at least 20 days' notice of the hearing to the continually low-performing charter school of the date, time, location and methods for parents, teachers, and community members to submit comments. Requires that the State Board review and consider a record of the public hearing in addition to any supporting documentation before taking final action not to renew the charter of a continually low-performing charter school. Requires a continually low-performing charter school to

notify parents of enrolled students by email or the parent's preferred communication method within five days of receipt of notice that the Office scheduled a public hearing and the State Board taking final action not to renew the charter, as specified.

Enacts GS 115C-218.98 to establish notice and hearing requirements prior to termination of a charter. Requires the Advisory Board to give the charter school at least 20 days' notice of a public hearing on a proposed recommendation to terminate a charter. Requires the notice to include the date, time, location and methods for parents, teachers, and community members to submit comments. Requires the hearing to include a presentation on the academic performance of the charter school and an opportunity for public comment. Permits the Advisory Board to direct the Office to conduct the hearing. Requires at least one State Board member and one Advisory Board member to attend the hearing. Details five considerations the Advisory Board must address prior to making its final determination, including a record of the public hearing and supporting documentation, and the capital needs of the public school(s) where students will be assigned if the charter school ceases operation.

Requires the State Board to give a charter school at least 20 days' notice prior to meeting to take final action on a recommendation of the Advisory Board to terminate the charter. Requires the State Board to review the evidence from the Advisory Board meeting and the information the Advisory Board considered prior to making its recommendation, as required.

Requires the charter school to notify parents of enrolled students by email or the parent's preferred communication method within five days of receipt of notice that the Advisory Board scheduled a public hearing or the State Board scheduled a meeting to take final action, as specified.

Details exceptions to the requirements when the Advisory Board's proposed or final recommendation or the State Board's final action to terminate the charter is based on failure to meet generally accepted standards of fiscal management or violations of law. In these instances, requires the State Board to give the charter school 20 days' notice prior to scheduling a meeting to take final action to terminate the charter and requires the charter school to notify parents of enrolled students of the scheduled meeting within five days of receipt of the State Board's notice and notify parents of enrolled students of the State Board's final action at the scheduled meeting.

Enacts GS 115C-218.100(c) to require a charter school board to notify the parents of enrolled students by email or the parent's preferred communication method within five days of passing a resolution to voluntarily dissolve. Requires the notice to include a timeline for the dissolution of the school.

Enacts GS 115C-47(64) to add to the powers and duties of local boards of education the duty to submit a statement to the State Board upon request on the capital impact a charter school closure would have on schools within the local unit. Requires the statement to be submitted within 30 days of the State Board's request.

Amends GS 150B-1 to exempt the State Board of Education's disapproval, termination, or nonrenewal of charters under Article 14A of GS Chapter 115C from the APA's contested case provisions.

Defines the scope of the act to include virtual charter schools authorized under Section 8.35 of SL 2014-100, as amended. Prohibits the termination of a virtual charter school's charter prior to the end of the pilot program unless the requirements of GS 115C-218.98, as enacted, are met.

Applies to actions commenced to voluntarily dissolve, terminate, not renew, or materially revise a charter on or after July 1, 2019.

Senate committee substitute to the 2nd edition adds the following.

Directs the State Treasurer to seek a private letter ruling from the IRS regarding the act's provisions (modifying the computation of postretirement earnings of high-need retired teachers). Allows the Retirement Systems Division to increase

receipts from the assets of the Teachers' and State Employees' Retirement System (Retirement System) or pay associated administrative costs directly from the plan assets to accomplish the act's purpose, including up to \$75,000 to obtain a private ruling from the IRS.

Deems any beneficiary of the Retirement System that is employed to teach by a local school administrative unit as a high-need retired teacher ineligible to elect into a position that would lead him or her to be eligible to accrue any additional benefits under specified state law concerning members retiring on or after July 1, 1963. Requires the Retirement System to correct any failure to comply with this provision, as appropriate, and places correction costs upon the local school administrative unit. Requires any corrective costs to be transferred to the Pension Accumulation Fund pursuant to rules adopted by the Board of Trustees.
