PUBLIC/HOUSE BILLS

H 206 (2019-2020) [DOT LEGISLATIVE CHANGES.-AB](#) Filed Feb 26 2019, *AN ACT TO MAKE CHANGES TO LAWS RELATED TO TRANSPORTATION, AS RECOMMENDED BY THE DEPARTMENT OF TRANSPORTATION.*

Senate amendment makes the following changes to the 4th edition.

Modifies the proposed directive regarding the Environmental Management Commission's implementation of the Neuse River Basin Riparian Buffer Rule (Rule). Expands the directive to also include implementation of the proposed readoption and recodification of the Rule adopted by the Environmental Review Commission (ERC) on March 14, 2019, and approved by the Rules Review Commission on May 16, 2019, now together referred to as the Neuse River Airport Rules (Rules). Changes the definition of *Airport Facilities* to instead reference the definition adopted by the ERC on March 14, 2019. Now requires the ERC to implement the Rules by using the definition of Airport Facilities set forth (which is identical to the previously provided definition of the term by the act) instead of the definition adopted by the ERC on March 14, 2019. Requires the ERC to adopt rules to amend the Rules consistent with the implementation provisions of the act. Eliminates the previous implementation provisions that exempt certain airport facilities based on the size of impact from certain provisions of the Rule.

Adds payments pursuant to an electronic transfer initiated by the State to the allowable payments.

Part V. Water/Wastewater Public Enterprise Reform

Also changes the effective date for the proposed statutory changes and enactments set forth in Part V from August 1, 2019, to October 1, 2019.
