H 784 (2019-2020) [TRAFFIC-CONTROL TRAINING PROGRAM. \(NEW\)](#) Filed Apr 16 2019, *AN ACT TO DIRECT LOCAL LAW ENFORCEMENT AGENCIES TO INCREASE THE AGE REQUIREMENT FOR TRAFFIC-CONTROL OFFICERS AND TO REQUIRE THE NORTH CAROLINA COMMUNITY COLLEGE SYSTEM TO OFFER A TRAFFIC-CONTROL TRAINING COURSE FOR THOSE THAT WOULD BE APPOINTED AS A TRAFFIC-CONTROL OFFICER.*

House committee substitute to the 1st edition makes the following changes.

Modifies and makes organizational changes to the proposed changes to GS 20-114.1(c), which require that appointed traffic-control officers be at least 21 years old rather than 18 years old. Now conditions appointment as a traffic-control officer upon completion of either (1) three hours of training course in directing, controlling, or regulating traffic under the supervision of a law-enforcement officer, or (2) eight hours of approved training through a course offered by the NC Community College System in directing, controlling, or regulating traffic, with four hours of classroom training or instruction and four hours of documented roadside training, with refresher training required for reappointment (previously, required at least four hours of roadside training and required completion of a training course in traffic laws and traffic control). No longer specifies that the training course and roadside training are to be conducted by the law enforcement agency issuing the authorization card for appointment, and that any costs of the training are the responsibility of the traffic control officer trainee. Additionally, extends the expiration of an appointed traffic-control officer's authorization card from two to three years, unless an earlier date is specified. Adds a new requirement for the expiration date to appear on the authorization card. Makes further technical changes,

and makes language gender neutral. Adds a new subsection (c1) to the statute, directing the NC Justice Academy to collaborate with the Community College System Office to develop the training program for traffic-control officers, including requirements for initial training and a refresher training. Requires the community college to provide documentation to verify completion of the initial or refresher training. Amends subsection (d) to specify that the required indemnity policy for the traffic-control officer cannot be cancelable within the authorization period. Adds a new requirement that when the required liability coverage is being provided by a person or entity other than the appointing law enforcement agency, the person seeking appointment as a traffic-control officer must present proof of liability coverage meeting the requirements of subsection (d) before an authorization card can be issued to the person. Maintains the act's effective date, October 1, 2019.

Changes the act's titles.

H 935 (2019-2020) [SOCIAL SERVICES REFORM. \(NEW\)](#) Filed Apr 16 2019, *AN ACT TO IMPLEMENT VARIOUS PROVISIONS RELATED TO SOCIAL SERVICES REFORM*.

House committee substitute to the 1st edition makes the following changes.

Eliminates the proposed changes to GS 122C-80, which required licensed child care institutions to condition employment on consent to a State and national criminal history check of the applicant, and to condition offers of employment for positions which do not require an occupational license on a check of the NC Sex Offender Registry (Registry), the NC Responsible Individuals List (List), and if applicable, check of the abuse and neglect registry of any other state where the applicant has resided in the preceding five years. Eliminates related proposed changes to GS 131D-10.3A, GS 131D-10.6, and GS 143B-932.

Instead, enacts GS 108A-133 to require criminal history record checks for certain applicants for employment at a child care institution. Requires child care institutions and child care contract agencies, as those terms are defined by the federal Social Security Act, to condition offers of employment for positions which do not require an occupational license to be conditioned on consent to a criminal history check of the applicant. Sets forth criminal history check procedures, allowing the child care institution or contract agency to request either the Department of Public Safety (DPS) or a private entity, as defined, to conduct the check. Prohibits the results from being shared with the child care institution or contract agency beyond notification that the information received may affect the employability of the applicant. Requires child care institutions and contract agencies to

make verification of the check available upon request. Deems all criminal history information received by the child care institution and contract agency confidential, and restricts disclosure to the applicant only. Enumerates seven factors that must be considered in determining whether to hire the applicant in the event the criminal history record check reveals one or more convictions of a *relevant offense*, defined to include any conviction or pending indictment that bears upon an individual's fitness to have responsibility for the safety and well-being of aged or disabled persons. Prohibits a conviction of a relevant offense alone from barring employment. Allows child care institutions and contract agencies to share disqualifying information, but prohibits providing a copy of the criminal history check to the applicant. Provides limits immunity for a child care institution or its officer or employee from failure to employ an individual on the basis of information provided in the criminal history check if the institution or its officer or employee complied with the statute in good faith. Makes its a Class A1 misdemeanor for any applicant to willfully give false information on an employment application that is the basis for a criminal history check under the statute. Allows for conditional employment pending the results of the criminal history check so long as the applicant has consented to the check or completed fingerprint cards and the child care institution submits the record request within five days the individual begins conditional employment. Establishes civil immunity for an entity and its officers and employees for failure to check an employee's history of criminal offenses if the record check is requested and received in compliance with the statute.

Makes conforming changes to GS 143B-939, concerning DPS authority to providing certain entities with criminal history checks.

Enacts GS 108A-134 to require child care institutions to condition offers of employment for positions which do not require the applicant to have an occupational license on the consent to a check of the NC Sex Offender Registry and the NC Responsible Individuals List, or similar registries of another state, if applicable.

Makes conforming changes to GS 131D-10.6, regarding powers and duties of the Department of Health and Human Services, to require for the Department to make licensing actions in accordance with new GS 108A-133.

Defines the applicability of the proposed changes to GS 108A-9, which requires county board of social services members to attend education training sessions for new members at least twice during the first year of service, making the requirement applicable to any current county board member that has not met the training requirements, as enacted.

Modifies the directive requiring the Division of Social Services (Division) to collaborate with key stakeholders to create a formal education and training programs for new and experienced county board members, to now limit the programs' focus to new county board members only. Now requires the education training sessions to include education regarding potential liabilities of the county boards, and encourages experienced members to attend these sessions.

Adds the following new provisions.

Amends Section 1.1 of SL 2017-41, to require the Department of Health and Human Services's plan for establishing regional offices charged with supervision of administration of social services at the local level (required to be submitted to the specified NCGA committee by November 15, 2018, after consideration of recommendations of the Social Services Regional Supervision and Collaboration Working Group [SSWG]) to provide for the system of regional supervision to be operational no later than March 1, 2022 (was, March 1, 2020).

Amends Section 1.2 of SL 2017-41, continuing the work of the Social Services Regional Supervision and Collaboration Working Group (SSWG) convened by UNC School of Government in October of 2017 at the direction of Section 1.2. Deems the SSWG membership to consist of the currently constituted members as of December 1, 2018, and removes the requirement that six members appointed by the House Speaker and Senate President Pro Tempore (among whom co-chairs must be designated) must be members of the respective chamber. Directs the SSWG to continue to address regional supervision and interagency collaboration and regionalization. Requires the SSWG to convene no later than October 4, 2019, and continue developing the recommendations previously specified for Stage One. Adds a Stage Three to the duties of the SSWG, upon completion of Stages One and Two: (1) to revise its Stage One recommendations after reviewing the recommendations from the Center for the Support of Families and DHHS regarding regional supervision; (2) to provide more detailed recommendations regarding seven specified issues, including the role of local elected officials and social services governing boards in social services oversight, determining residency for social services programs and services, and confidentiality of social services records; and (3) to study the appointment and funding of publicly funded guardians, including a description and evaluation of the various types of appointments and recommendation for their management. Directs the SSWG to submit a Stage Three preliminary report to the specified committee no later than October 15, 2020, and a Stage Three final report of its

recommendations no later than February 1, 2021. Authorizes the Joint Legislative Oversight Committee on Health and Human Services to terminate the SSWG after receipt of the preliminary report if it concludes the SSWG is not making sufficient progress. Otherwise, terminates the SSWG upon submission of the final report.

H 989 (2019-2020) [REQUIRED COMPONENTS/MEDICAID TRANSFORMATION. \(NEW\)](#) Filed Apr 25 2019, *AN ACT TO PROVIDE FUNDS FOR THE OPERATION OF THE MEDICAID AND NC HEALTH CHOICE PROGRAMS; TO AUTHORIZE THE USE OF THE MEDICAID TRANSFORMATION FUND FOR MEDICAID TRANSFORMATION NEEDS; TO REPEAL PAST DIRECTIVES TO ELIMINATE GRADUATE MEDICAL EDUCATION TO ALIGN WITH MEDICAID TRANSFORMATION; TO REVISE AND UPDATE HOSPITAL ASSESSMENTS IN A MANNER THAT WILL CONFORM WITH MEDICAID TRANSFORMATION; TO REVISE THE SUPPLEMENTAL PAYMENT PROGRAM FOR ELIGIBLE MEDICAL PROFESSIONAL PROVIDERS AND TO ENACT THE MEDICARE RATE SUPPLEMENTAL AND DIRECTED PAYMENT PROGRAM; TO CREATE THE HOSPITAL UNCOMPENSATED CARE FUND; AND TO CODIFY THE MEDICAID CONTINGENCY RESERVE.*

House committee substitute to the 1st edition makes the following changes.

Makes organizational changes.

Part I.

Directs that the act's implementation be in conjunction with the procedure for budget continuation under specified state law, with the act's provisions superseding conflicting state law.

Part II.

Appropriates \$33,758,136 in recurring funds from the General Fund to the Department of Health and Human Services (DHHS), Division of Health Benefits, for the 2019-20 fiscal year for the Medicaid and NC Health Choice programs rebase.

Appropriates \$28,617,655 in recurring funds from the General Fund to the Division of Health Benefits for the 2019-20 fiscal year for transitioning to Medicaid managed care.

Part III.

Directs the State Controller to transfer \$193 million for the 2019-20 fiscal year from funds available in the Medicaid Transformation Reserve in the General Fund to the Medicaid Transformation Fund. Authorizes the transfer of funds from the Medicaid Transformation Fund to the Division of Health Benefits for payment of claims related to services billed under the fee-for-service payment model for recipients being, or have been, transitioned to managed care (known as "claims run out"). Allows for transfer on an as-needed basis; deems transferred funds appropriated.

Authorizes \$27,280,947 in nonrecurring funds to be transferred from the Medicaid Transformation Fund to the Division of Health Benefits for the 2019-20 fiscal year to provide the State share for nonrecurring qualifying needs, as defined, directly related to Medicaid transformation required by SL 2015-241, as amended. Allows for transfer on an as-needed basis. Requires the Division of Health Benefits to make transfer requests to the Office of State Management and Budget (OSBM), providing for the amount request and the nonrecurring qualifying need for which the funds are to be used. Requires OSBM to verify the amount and use, and that the amount requested provides a State share that will not result in total requirements that exceed \$140 million in nonrecurring funds for the 2019-21 fiscal biennium, prior to any transfer. Mandates that any federal funds received in any fiscal year by the Division of Health Benefits that represent a return of State share already expended on a qualifying need related to the funds received by the Division under the act to be deposited into the Medicaid Transformation Fund.

Part V.

The provisions of previous Part I have been moved to Part V with the following changes.

Amends new Article 7A, Hospital Assessment Act, of GS Chapter 108A, effective October 1, 2019. Amends the definition set forth for prepaid health plan (PHP) to make a statutory cross-reference rather than referencing a session law.

Adjusts the base and supplemental assessment percentage rates to be used pursuant to new GS 108A-142 and GS 108A-141 for the taxable year October 1, 2019, through September 30, 2020, now providing for a base assessment rate of 1.77% (was, 3%) and a supplemental assessment rate of 2.26%.

Eliminates the directive for DHHS to submit any State Plan amendment or other documents necessary to the Center for Medicare and Medicaid Services (CMS) to implement the act.

Adds a new directive for the State Controller to transfer funds from the Medicaid Contingency Reserve to the Division of Health Benefits only upon request by the Division as needed to cover any shortfall of receipts from the supplemental or base assessments under new GS 108A-141 and GS 108A-142, and only if two conditions are met: (1) OSBM has certified that there will be a shortfall, and (2) OSBM has certified that the amount requested does not exceed the shortfall in receipts certified. Requires the Division of Health Benefits to notify the specified NCGA committee and division of any request and the amount requested. Deems transferred funds appropriated. Sunsets this authority June 30, 2020.

Directs DHHS to establish a new fund code, Hospital Assessment Fund, to be used to support a decrease in the supplemental assessment or base assessment rates corresponding with the amount in the Fund.

Applicable for the 2019-20 fiscal year only, provides for the transfer of over-realized receipts from the supplemental and base assessments, based on the amount anticipated in the Governor's proposed base budget for the Division of Health Benefits for the fiscal year, as follows: \$45 million transferred to the Hospital Assessment Fund, or if the total amount of over-realized receipts is less than \$45 million, then the full amount to the Hospital Assessment Fund; and the remainder, after the \$45 million transfer, if appropriate, to the Medicaid Transformation Reserve. Requires OSBM to certify that there will be over-realized receipts for the 2019-20 fiscal year from the supplemental and base assessments, and that the amounts transferred are in compliance with these provisions, prior to transferring any amount.

Part VI.

The provisions of previous Part III have been moved to Part VI with the following changes.

Modifies the terminology used in the directives concerning the supplemental payment program for eligible medical professional providers to now refer to supplemental payments for services provided by eligible medical providers, rather than supplemental payments made to eligible medical providers.

Additionally repeals Section 12H.13(e) of SL 2013-360, which reduced the percentage of allowable costs for hospitals payments from 80% to 70%, and Section 12H.13A of SL 2014-100, which sets the settlement for outpatient Medicaid services performed by UNC Hospitals and Vidant Medical Center at 70% of costs.

Eliminates the provisions of previous Part IV, which directed DHHS to create the Medicare Rate Supplemental and Directed Payment Program; enacted Part 3, Professional Assessment, to Article 7A of GS Chapter 108A; and directed DHHS to submit a State Plan amendment and any necessary documents to CMS to implement the Program and the Professional Assessment.

Part VII.

Enacts GS 143C-4-11, establishing the Medicaid Contingency Reserve to be used for budget shortfalls in Medicaid or NC Health Choice programs. Sets forth three criteria that must be met in order for funds from the Medicaid Contingency Reserve Fund to be allocated or expended, including a legislative appropriation, verification of appropriate use by OSBM, and immediate reporting of the shortfall by the Director of Budget to the Fiscal Research Division, as specified. Specifies that gubernatorial authority is not limited by the statute.

Part VIII.

Enacts GS 143C-9-9, establishing the Hospital Uncompensated Care Fund as a nonreverting special fund in DHHS, consisting of the federal disproportionate share adjustment receipts arising from certified public expenditures. Authorizes DHHS to use funds from the Fund to (1) make payments to institutions for mental diseases, as defined by federal law, and (2) make payments to eligible hospitals to reimburse inpatient services uncompensated care costs or outpatient services uncompensated

care costs, or both. Requires DHHS to adopt rules for determining eligibility for, and allocations of, Hospital Uncompensated Care Fund payments.

Part IX.

Changes the effective date of the act to the date the act becomes law, unless otherwise provided (was, July 1, 2019). Makes conforming changes to the act's titles.

S 574 (2019-2020) **GAMING COMMISSION. (NEW)** Filed Apr 3 2019, *AN ACT TO ESTABLISH THE NORTH CAROLINA GAMING COMMISSION*.

House amendments make the following changes to the 2nd edition.

Amendment #1 clarifies that the members of the NC Lottery Commission are to operate as the NC Gaming Commission until appointments have been made to the NC Gaming Commission pursuant to the act's provisions, with appointments made as each term expires.

Amendment #3 eliminates the proposed changes to GS 18B-500 concerning the subject matter jurisdiction of alcohol law-enforcement (ALE) agents. Instead modifies and adds to the statute as follows. Makes organizational changes and modifies ALE agents' primary responsibilities to include enforcement of GS Chapter 18B, new GS Chapter 18E, and lottery and gaming law of GS Chapter 14. Modifies ALE agents' subject matter jurisdiction (SMJ), now set out to include enforcement for any criminal offense:

- Occurring, encountered, or otherwise discovered on the premises or elsewhere relating to a location under application for or holding a permit issued by the ALE Commission or the Gaming Commission;

- Encountered or otherwise discovered while investigating or enforcing matters for the ALE Commission or the Gaming Commission, or provisions of the laws of which the agents are primarily charged with enforcing;
- Encountered or discovered while carrying out any duty or function assign to the Division by law;
- Occurring in an agent's presence; and
- When assisting another law enforcement agency.

Now specifies that ALE agents have full power and authority as peace officers to execute criminal process, respond to and take enforcement action for any crime of violence or breach of peace, and additional duties directed by the Governor or the Secretary of the Department of Public Safety when necessary for security at a public event, or protection of persons or property due to a disaster or state of emergency.

Amendment #3 also adds further guidance regarding the transfer of ALE Branch of DPS and the Boxing Advisory Commission to the Gaming Commission. Authorizes three specified receipt-supported ALE Division positions to be converted to the General Fund. Additionally, transfers three specified ALE Division administrative specialist positions to the Gaming Commission.

House committee substitute makes the following changes to the 2nd edition.

Amends the authority granted to municipalities of Brunswick County to levy a 0.5% prepared food and beverage tax to no longer allow for the tax to be levied by resolution (previously, allowed for levy by resolution or referendum). Changes the statutory cross-reference regarding election procedures. Modifies the ballot language to include that the proposed tax is for local prepared food and beverages (previously, omitted beverages). Makes conforming changes to the act's long title.
