Senate amendment makes the following changes to the 5th edition.

Modifies and adds to the proposed changes to GS 20-280.5 as follows. More specifically requires transportation network companies (TNCs) to keep for one year a record of each TNC driver's current address the TNC has on record at the time the driver's relationship with the TNC ended. Concerning the required license plate number displays in TNC driver vehicles, adds that the vehicle license plate number must be printed in a legible and contrasting font no smaller than three inches in height (previously, did not require contrasting font and had a two-inch minimum height requirement). Qualifies the proposed requirement for TNCs to require a TNC driver to display consistent and distinctive signage or emblems at all times when the TNC driver is active on the TNC digital platform or when providing any TNC service which reasonably assists customers to identify or verify a TNC driver responsible to a ride request. Adds a new subsection, effective July 1, 2020, to allow a TNC to seek approval from the Division of Motor Vehicles (DMV) for technological identifiers as an alternative to the required distinctive signage or emblems. Permits DMV approval if it reasonably assists customers to identify or verify a TNC driver responding to a ride request. Requires the approved technological identifiers to be used in the same manner as other distinctive signage or emblems.

H 645 (2019-2020) [REVISIONS TO OUTDOOR ADVERTISING LAWS](#). Filed Apr 9 2019, *AN ACT TO REVISE THE OUTDOOR ADVERTISING LAWS*.

Senate amendment to the 5th edition makes the following changes.

Makes further technical changes to GS 136-128.

Modifies proposed GS 136-131.3 to refer to *lawfully* erected outdoor advertising signs (was, *legally* erected). Amends the criteria for the relocation site of any legally erected outdoor advertising sign due to the property the sign is lawfully existing upon being acquired and the acquiring party requiring its removal. Adds that the sign cannot be relocated adjacent to any highway as provided in GS 136-129.2, except within the same sign location or site (previously, was included as a specification for permitted relocation sites in areas zoned commercial or industrial within the same zoning jurisdiction only). No longer explicitly requires the outdoor advertising sign at the relocated site to conform with customary use in areas zoned commercial or industrial under authority of state law, or if the relocated site is unzoned, in unzoned commercial or industrial areas.

Eliminates the prohibition against reconstructed signs increasing the advertising surface area of the outdoor advertising sign that is required to be removed and permitted to be reconstructed. Specifies when the Department of Transportation must issue a new outdoor advertising permit to the owner of a relocated outdoor advertising permit, limited to relocated signs pursuant to subsection (a); provides for addendums to existing permits in other instances of relocation under the statute. Now specifies that, in the event of a taking of an outdoor advertising location, the fact that the outdoor advertising is not relocated cannot prejudice the determination of compensation owed to the owner of the outdoor advertising as provided by state law (previously, permitted the fact finder to consider the actual relocation of the outdoor advertising in determining just compensation as provided by law). Makes additional organizational, technical and clarifying changes. Makes further organizational changes to move the provisions of previous subsection (f) of proposed GS 136-131.3, concerning view corridors, to new GS 136-131.4. Makes clarifying, conforming and organizational changes to the provisions. Changes the applicability of proposed GS 136-131.3, now making the provisions apply to outdoor advertising signs removed on or after July 1, 2019 (was, removed on or after the date the act becomes law).

S 321 (2019-2020) [FEDERAL MOTOR CARRIER SAFETY/PRISM. \(NEW\)](#) Filed Mar 20 2019, *AN ACT TO IMPLEMENT REQUIREMENTS OF THE FEDERAL MOTOR CARRIER SAFETY ADMINISTRATION'S PERFORMANCE AND REGISTRATION INFORMATION SYSTEMS MANAGEMENT (PRISM) PROGRAM.*

House committee substitute to the 2nd edition makes the following changes. Deletes the content of the previous edition and replaces it with the following.

Enacts new GS 20-43.3 to allow the Division of Motor Vehicles (DMV) to collect and maintain motor carrier or commercial motor vehicle data in a manner that complies with the information system established by the US Secretary of Transportation.

Amends GS 20-54 by requiring the DMV to deny registration of a vehicle of a motor carrier if the applicant fails to disclose material information required; if the applicant has made a materially false statement on the application; if the applicant has applied as a subterfuge for the real party in interest who has been issued a Federal out-of-service order; or if the applicant's business is operated, managed, or otherwise controlled by or affiliated with a person who is ineligible for registration. Also requires denying registration for a vehicle that has been assigned for safety to a commercial motor carrier who has been prohibited from operating by the Federal Motor Carrier Safety Administration or a carrier whose business is operated, managed, or otherwise controlled by or affiliated with a person who is ineligible for registration. Previously, required the DMV to refuse registration or issuance of a certificate of title or any transfer of registration when the applicant motor carrier is subject to an order issued by the Federal Motor Carrier Safety Administration or the DMV to cease all operations based on a

finding that the continued operations of the motor carrier pose an imminent hazard. Makes the same changes to the requirements of GS 20-110 concerning cancelling and rescinding registration of a vehicle of a motor carrier.

Makes conforming changes to GS 20-381.

Effective 90 days after the act becomes law.

Makes conforming changes to the act's titles.

Intro. by T. Alexander.

S 438 (2019-2020) **EXCELLENT PUBLIC SCHOOLS ACT OF 2019**. Filed Apr 1 2019, *AN ACT TO MODIFY THE IMPLEMENTATION OF THE NORTH CAROLINA READ TO ACHIEVE PROGRAM IN ORDER TO ATTAIN STATEWIDE READING PROFICIENCY BY THE THIRD GRADE*.

House amendments makes the following changes to the 3rd edition, as amended.

Amendment #3 amends the directives regarding the convening of a task force to develop a Comprehensive Plan to Improve Literacy Instruction (Plan). Adds that the task force must also review national and international early literacy research, programs, and initiatives, including the successes and setbacks of these efforts in increasing student reading proficiency by the end of third grade.

Amendment #4 adds new Part XII to the act. Amends GS 115C-83.6 and GS 115C-174.11 to allow a local board of education to select different reading assessments for kindergarten, first, second, and third grade students, alternatively to those assessments made available by the State Board of Education. Specifies that the local board's selection is subject to its available funds and the existing criteria of assessments set forth in the statute. Applies beginning with the 2019-20 school year. Makes conforming organizational changes.
