H 126 (2019-2020) **AMEND CERTIFICATE OF NEED LAWS. (NEW)** Filed Feb 20 2019, *AN ACT AMENDING CERTIFICATE OF NEED LAWS.*

Senate amendments makes the following changes to the 3rd edition.

Part I.

Amendment #2 modifies proposed GS 131E-184(i) to more specifically exempt from certificate of need review services or facilities that already have a certificate of need when those services or facilities are replaced, renovated, or relocated to another site in the same county where need was originally determined (previously, did not limit the exemption for relocated sites to sites in the same county only).

Part II.

Amendment #1 makes technical changes to the proposed changes to GS 131E-184(c) to reflect the modifications made to the statute by SL 2019-76. Deletes the language added by SL 2019-76 to subsection (c), in addition to the language previously deleted, maintaining the proposed elimination of the qualifying conditions for the exemption for the certificate of need review for any conversion of existing acute care beds to psychiatric beds.

Part III.

Amendment #2 deletes Part III of the act, which amended GS 131E-184, as amended, to require DHHS to exempt from certificate of need review the development, acquisition, construction, expansion, or replacement of a health service or health service facility that obtained certificate of need approval before October 1, 2019, as a kidney dialysis treatment center if the health service or health service facility is located in a county with a population greater than 300,000 (was to be effective three years after this act becomes law).

Makes conforming organizational changes.

H 231 (2019-2020) **NCCC REORG. AUTHORITY & CAREER COACHES. (NEW)** Filed Feb 27 2019, *AN ACT TO CODIFY THE AUTHORITY OF THE PRESIDENT OF THE NORTH CAROLINA COMMUNITY COLLEGE SYSTEM TO REORGANIZE THE COMMUNITY COLLEGES SYSTEM OFFICE AND TO MAKE CHANGES TO THE REQUIREMENTS FOR LOCAL MATCHING FUNDS FOR THE NORTH CAROLINA CAREER COACH PROGRAM AND TO APPROPRIATE FUNDS FOR THE NORTH CAROLINA CAREER COACH PROGRAM.*

House committee substitute deletes the provisions of the 1st edition and now provides the following.

Part I.

Amends GS 115D-3 to explicitly authorize the President of the Community College System to reorganize the Community Colleges System Office in accordance with recommendations and plans submitted to and approved by the State Board of Community Colleges. Establishes a reporting requirement, requiring the President to report by June 30 of the fiscal year in

which the reorganization occurred to the specified NCGA committee and division in the event a reorganization is implemented under the authority granted. Specifies that the reporting requirement is triggered by any movement of positions and funds between fund codes on a recurring basis.

Part II.

Amends GS 115D-21.5, which sets forth requirements that must be satisfied for community colleges to receive funds available from the State Board of Community Colleges for the NC Career Coach program. Amends the current requirement that mandates a dollar for dollar match of local funds to instead establish matching requirements based on the development tier designation of the county in which the local school administrative unit is located where the career coach is assigned on the date of the award of funds by the State Board of Community Colleges. Requires no local match in tier one counties, 1:2 match for tier two counties, and a 1:1 match for tier three counties.

Appropriates \$1,733,413 in recurring funds for the 2019-20 fiscal year and \$566,587 in recurring funds for the 2020-21 fiscal year from the General Fund to the System Office to implement the new matching requirements and to place additional career coached employed by local community colleges with partnering high schools.

Deems the provisions of the Part to supersede GS 143C-5-4 in the event they conflict. Provides that the provisions are effective until the Current Operations Appropriations Act for the applicable year becomes law, at which point the Director of the Budget will adjust allotments to give effect to that act from July 1 of the fiscal year.

Effective July 1, 2019.

Makes conforming changes to the act's titles.

House committee substitute deletes the provisions of the 1st edition and now provides the following.

Includes whereas clauses.

Part I.

Directs the UNC Board of Governors (BOG) to study and evaluate the impact of undergraduate summer school courses in improving academic success, overall college completion rates, and four-year graduation rates and potential funding options. Specifically requires the BOG to examine and include in its report at least the most recent six years of available data, both system wide and by each constituent institution, when available, including examining the most utilized undergraduate summer school courses, evaluating the funding methods for summer school courses or year-round enrollment in other state public university systems, examining the impact of undergraduate summer school instruction on current faculty contracts, and examining campus services provided to students enrolled in the summer school courses, among other required data. Requires the BOG to report to the specified NCGA committee and division by March 15, 2020, on its findings, recommendations, and potential funding options.

Part II.

Directs that, from the funds appropriated by the act for the 2019-21 fiscal biennium to the BOG for the College Advising Corps program, that the BOG provide a directed grant to the National College Advising Corps Inc. (CAC) to support an

expansion of the placement of college advisers in NC public schools through its program over a three-year period. Describes the CAC and its program. Appropriates the following amounts to the BOG for each fiscal year of the 2019-21 fiscal biennium to CAC to expand the placement of college advisers pursuant to the act: \$1,881,861 in recurring funds for the 2019-20 fiscal year; and \$618,139 in recurring funds for the 2020-21 fiscal year. Establishes legislative intent to appropriate to the BOG \$333,333 in recurring funds for the 2021-22 fiscal year and subsequent fiscal years to expand the placement of college advisers statewide in the program's third year. Establishes a 2:1 match of CAC funds to State funds. Specifies that the availability of matching funds does not revert. Details parameters for the use of State funds by CAC, requiring that CAC focus expanding its program into Tier 1 and Tier 2 designated counties during the first two years, and the remaining counties designated Tier 3 during the third year. Also requires CAC to designate at least three postsecondary institutions to partner with in order to increase the number of recent graduates working as near-peer college advisers to meet the needs of the program expansion. Directs that once the statewide goals have been met, the funds provided to CAC for the program are to continue the mission of the program to increase access for NC public school students to postsecondary degree or certificate attainment at community colleges and universities. Requires CAC to report annually to the specified NCGA committee and division for every year it uses State funds pursuant to the act, as specified. Deems the provisions of the Part to supersede GS 143C-5-4 in the event they conflict. Provides that the provisions are effective until the Current Operations Appropriations Act for the applicable year becomes law, at which point the Director of the Budget will adjust allotments to give effect to that act from July 1 of the fiscal year. House committee substitute to the 2nd edition makes the following changes.

Makes technical changes to the proposed changes to GS 30-3.2, deleting existing law that is unchanged by the act. Makes the proposed changes to GS 30-3.2, which amend the defined terms of Article 1A, Elective Share, also apply to estate proceedings to determine the elective share which are not final on the date the act becomes law due to the proceeding being subject to further judicial review.

Eliminates proposed GS 30-3.4(b1), which required a person who files a claim for an elective share to pay \$200 to the clerk of superior court of the county in which the primary administration of the decedent's estate lies. Instead, amends GS 7A-307, regarding costs in estate administration, to require the clerk to assess \$200 for the filing of a petition for an elective share proceeding. LIMITATIONS FOR A CIVIL ACTION FOR CHILD SEXUAL ABUSE SO THAT A PLAINTIFF HAS UNTIL AGE THIRTY-EIGHT TO COMMENCE AN ACTION, AND TO REQUIRE TRAINING ON CHILD SEX ABUSE AND SEX TRAFFICKING FOR SCHOOL PERSONNEL.

House committee substitute to the 5th edition makes the following changes.

Adds new Part V.

Amends GS 1-17 to authorize plaintiffs to file civil actions against a defendant for sexual abuse suffered while the plaintiff was under 18 years of age, until the plaintiff reaches 38 years of age. Makes conforming changes to GS 1-52, applicable to civil actions commenced on or after the date the act becomes law. Effective from January 1, 2020, to December 31, 2021, this act revives any civil action for child sexual abuse otherwise time-barred under GS 1-52 as it existed immediately before the enactment of this act. Makes conforming changes to GS 1-56.

Enacts GS 115C-375.20 to require each employing entity to adopt and implement a child sexual abuse and sex trafficking training program for school personnel who work directly with students in grades K through 12 that provides education and awareness related to child sexual abuse and sex trafficking, as specified. Defines *school personnel* as teachers, instructional support personnel, principals, and assistant principals. Provides that *school personnel* can include, in the discretion of the employing entity, other school employees who work directly with students in grades K through 12. Allows the training to be provided by local nongovernmental organizations with expertise in the area, local law enforcement officers, or other court officers. Requires all school personnel who work with K through 12 students to receive two hours of training consistent with the statute's requirements in even-numbered years beginning in 2020. Provides immunity for all entities required to adopt a child sexual abuse and sex trafficking program and its members, employees, designees, agents, or volunteers with regard to the provision of, participation in, or implementation of the training program, unless the conduct amounts to gross negligence, wanton conduct, or intentional wrongdoing. Specifies that the statute does not impose a specific duty of care on an entity required to adopt the training program. Enacts GS 115C-47(64), GS 115C-218.75(g), GS 115C-238.66(14), and GS 116-239.8(b)(17) to require local boards of education, charter schools, regional schools, and laboratory schools to adopt and implement a child sex abuse and sex trafficking training program in accordance with new GS 115C-375.20. Requires the entities to adopt and implement the training program by January 1, 2020, with training required for school personnel beginning with the 2020-21 school year. Appropriates \$50,000 from the General Fund to the Department of Public Instruction for the 2019-20 fiscal year to assist the entities in implementing the training requirement.

S 522 (2019-2020) [LOW-PERF. SCHOOLS/STAND. STUDENT CONDUCT. \(NEW\)](#) Filed Apr 2 2019, *AN ACT TO ALIGN THE SELECTION OF INNOVATIVE SCHOOLS WITH THOSE IDENTIFIED BY THE STATE BOARD OF EDUCATION FOR COMPREHENSIVE SUPPORT AND IMPROVEMENT, TO EXPAND OPTIONS FOR THE INNOVATIVE SCHOOL DISTRICT TO REQUIRE LOCAL BOARDS OF EDUCATION TO INFORM BOARDS OF COUNTY COMMISSIONERS OF ACADEMIC PROGRESS ANNUALLY, TO REQUIRE FURTHER STUDY OF REFORMS FOR ASSISTANCE TO LOW-PERFORMING SCHOOLS, AND TO MAKE VARIOUS CHANGES TO LOCAL STANDARDS OF STUDENT CONDUCT.*

House committee substitute adds the following to the 4th edition.

Amends GS 115C-390.2, regarding student conduct policies and procedures. Requires local boards of education to consult with teachers, school-based administrators, parents, and local law enforcement agencies when adopting the required policies to govern student conduct and disciplinary procedures for school officials to follow in disciplining students. Requires the policies to be based on local standards of conduct and developed within local guidelines for school safety (previously, required consistency with Article 27, Discipline, and the constitutions, statutes, and regulations of the United States and the State).

Establishes a new requirement for local boards to annually provide the Department of Public Instruction (DPI) with a copy of its current student discipline policies by September 1 of each year. Additionally, adds a new requirement for local boards to notify parents or guardians of expected standards of student behavior. Permits local boards to require students and parents or guardians to sign an acknowledgement that they have received a copy of the Code of Student Conduct. Now requires school officials to inform the student's parent or guardian before using the range of responses encouraged to violations of disciplinary rules which do not remove the student from the classroom or school building. Clarifies that the statute and the Chapter do not regulate a local board's ability to devise, impose, and enforce personal appearance codes.

Moves the substantive language of GS 115C-390.2(f), concerning minimizing the use of long-term suspension and expulsion, to new GS 115C-390.8(a1), with the following changes. Now allows local boards to adopt policies that minimize the use of long-term suspension and expulsion by restricting the availability of long-term suspension or expulsion those violations deemed to be serious violations of the board's Code of Student Conduct that either threaten the safety of students, staff, or school visitors or threaten to substantially disrupt the educational environment, subject to the principal's discretion (previously, required local boards to adopt such policies in their student conduct policies and disciplinary procedures). No longer provides examples of conduct that would not be deemed serious violations (previously, examples included the use of inappropriate or disrespectful language, noncompliance with a staff directive, dress code violations, and minor physical altercations that do not involve weapons or injury). Eliminates the more specific provision allowing principals to determine that aggravating circumstances justify treating a minor violation as a serious violation in their discretion.

Applies beginning with the 2019-20 school year.

Makes conforming changes to the act's titles and effective date provisions.
