Senate amendment #1 makes the following changes to the 3rd edition.

Authorizes any establishment that prepares or serves food or drink to open and operate its food and drink service for on-premises consumption so long as 11 requirements and limitations are met. Among the requirements and limitations are (1) that the establishment was in existence on March 10, 2020, is properly licensed and permitted, and holds all necessary State and local regulatory permits; (2) the establishment is not a private club, private bar, winery with a fortified or unfortified wine permit, or a distillery with a distillery permit; (3) the operation for on-premises consumption is limited to any authorized indoor seating or an owner-approved outdoor seating location; and (4) the service is limited to the lesser of 50% of the current indoor seating capacity of the establishment, or 100 consumers.

Authorizes any private club or private bar, any winery issued a fortified or unfortified wine permit, or any distillery issued a distillery permit, to open and serve alcohol for on-premises consumption so long as 10 requirements and limitations are met. Among the restrictions are (1) a requirement that the establishment have been in existence on March 10, 2020, is properly licensed and permitted, and holds all necessary State and local regulatory permits; (2) the service is limited to outdoor seating locations with the location owner(s)' permission; and (3) the outdoor seating capacity is limited to the lesser of 50% of the current indoor seating capacity of the establishment, or 100 customers.

Sunsetts the above added authorizations upon the later of 30 days after any emergency prohibitions and restrictions applicable expire or are otherwise terminated to permit the establishment to open for full unrestricted service of food and drink, or October 31, 2020.

Makes organizational and conforming clarifying changes to the previous content of the bill concerning indoor and outdoor fitness and exercise facilities, gyms, health clubs, and fitness centers.

Notwithstanding the authorizations provided in the act, provides that the Governor can exercise emergency powers granted in GS 166A-19.30(b) and (c) related to establishments covered by the act, subject to concurrence of the majority of the Council of State, as received and released by the Governor pursuant to the procedure provided. Note, GS 166A-19.30(b) and (c) both grant the Governor certain powers during a gubernatorially or legislatively declared state of emergency; however, only the powers granted in subsection (b) are subject to Council of State concurrence, while the powers granted in subsection (c), which includes the power to impose restrictions and prohibitions in the emergency area by declaration if local control of the emergency is insufficient to assure adequate protection for lives and property, are not explicitly subject to Council of State concurrence.

Additionally, authorizes the Secretary of Health and Human Services and the Secretary of Environmental Quality to exercise the power granted in GS 130A-20 to order an abatement of an imminent hazard related to COVID-19 that requires closure of establishments covered by the act only upon notification to the Governor and with concurrence of a majority of the Council of State, as received and released by the appropriate Secretary pursuant to the procedure provided. Note, the statutory powers set forth in GS 130A-20 apply to the Secretary of Health and Human Services and local health directors, and are not explicitly subject to notification of the Governor and/or majority concurrence of the Council of State.

H 1169 (2019-2020) [BIPARTISAN ELECTIONS ACT OF 2020. \(NEW\)](#) Filed May 22 2020, *AN ACT TO MAKE VARIOUS CHANGES TO THE LAWS RELATED TO ELECTIONS AND TO APPROPRIATE FUNDS TO THE STATE BOARD OF ELECTIONS IN RESPONSE TO THE CORONAVIRUS PANDEMIC.*

Senate committee substitute makes the following changes to the 5th edition.

Section 2

Makes organizational changes.

Amends proposed GS 163-226.3(c), regarding the composition of bipartisan teams. Now, of the team members required to represent the two political parties having the highest number of affiliated voters in the State, requires the team members to be recommended by the members of that political party serving on the county board of elections, rather than by the county chair of each respective political party. Clarifies that the proposed provisions applies to appointments to a bipartisan team on or after the date the act becomes law.

Section 4.5

Adds to the proposed changes to GS 163-182.2 to clarify that precinct officials are required to provide a preliminary report of the vote counting on election day to the county board of elections as quickly as possible (previously, did not specify the preliminary report is required on election day).

Eliminates the proposed changes to GS 163-166.11, regarding publication of the number of provisional ballots cast in an election by 5:00 p.m. the day after the close of polls. Instead, adds a requirement for county boards to publish the following information by 12:00 p.m. two days after the close of polls: the number of provisional ballots cast on election day, cast by one-stop absentee voting, cast by mail-in absentee ballots received as of election day, and cast by military and overseas absentee ballots cast under State law and received as of election day.

Section 7

Eliminates the mandate requiring the State Board of Elections (State Board) to investigate IP addresses or VPNs accessing the website for submitting online requests for absentee ballots to request absentee ballots for more than 10 qualified voters from the date the website is first available to voters through October 27, 2020, as well as the coordinating reporting requirements. Instead, requires the State Board to report to the specified NCGA committee by February 1, 2021, regarding online requests for absentee ballots, including online requests by county, and the results of any cybersecurity investigations related to online requests during the 2020 general election.

Section 11.1

Changes the source of the \$2,120,497 in matching State funds appropriated to the State Board for 2020-21 for coronavirus response during the 2020 election cycle. Previously, appropriated the funds from the General Fund to match the federal CARES Act funds appropriated. Now, directs the Department of Commerce to transfer the same amount in nonrecurring funds from the Job Investment Grant Special Revenue Fund to the State Board for 2020-21, as the required State match. Requires the transfer to be made no later than August 15, 2020.

Section 11.2

Changes the source of the \$2,335,488 in matching State funds appropriated to the State Board for 2020-21 for specified election purposes and county HAVA expense reimbursements. Previously, appropriated the funds from the General Fund to match the federal HAVA funds appropriated. Now, directs the Department of Commerce to transfer the same amount in nonrecurring funds from the Job Investment Grant Special Revenue Fund to the State Board for 2020-21, as the required State match. Requires the transfer to be made no later than August 15, 2020.

Adds to the identified uses and coordinating allowable amounts the State Board is authorized to use from a portion of the HAVA funds and State match funds appropriated by the act, \$1 million to assist counties with the speed, accuracy, and transparency of the counties' election, voter, and canvass data and processes.

Sections 11A.1 and 11A.2

Adds new sections. Reenacts and incorporates by reference the State Budget Act, GS Chapter 143C.

Provides for the continued validity of 2019 legislation appropriating funds to entities covered by the act, unless expressly repealed or amended.
