H 593 (2019-2020) **JCPC/DETENTION/CAA AND OTHER FEES. (NEW)** Filed Apr 3 2019, *AN ACT TO MAKE VARIOUS MODIFICATIONS TO THE GENERAL STATUTES RELATED TO JUVENILE CRIME PREVENTION COUNCILS, INDIVIDUALS UNDER EIGHTEEN IN CUSTODY, THE STATEWIDE MISDEMEANANT CONFINEMENT PROGRAM, CRIMINAL COURT FEES, AND RADIOLOGICAL EMERGENCY PLANNING FEES; TO APPROPRIATE FUNDS; TO CREATE A REGISTRY REQUIREMENT REVIEW FOR CERTAIN SEX OFFENDERS; AND TO CLARIFY DECLARATION PUBLICATION.*

Senate amendments make the following changes to the 4th edition.

Senate amendment #1 makes the following changes to Section 11.5 of the act.

Modifies new GS 14-208.12B(a) requiring the sheriff to notify a person required to register as a sex offender of the right to petition for a judicial determination of the requirement. Requires the notification to be served on the person and the district attorney. Clarifies that the superior court judge who conducts judicial review of the petition be the judge presiding in the district where the petition is filed, rather than the county.

Modifies new GS 14-208.12B(b) to delete the requirement that a hearing on a petition be held not less than three weeks and no later than 120 days from the filing of the petition, and adds requirement that prior to the hearing the petitioner be advised of the right to have counsel present at the hearing and appointed if the petitioner is indigent. Requires counsel be appointed under rules adopted by the Office of Indigent Defense Services.

Modifies new GS 14-208.12(B)(i) to clarify that liability immunity granted under this subsection applies to performance of official duties under the Article (was, section).

Amends GS 7A-451(a) to enact a new subdivision (19) to provide a right of appointed counsel for judicial review of sex offender registration requirements under new GS 14-208.12B.

Adds a new Section 11.5(c) requiring the State Bureau of Investigation to provide each district attorney with a list of class members residing in the district attorney's jurisdiction who are subject to the federal court order in *Grabarczyk v. Stein*. Requires district attorneys to review the prior substantially similar determinations for persons on this list to determine if any person's out-of-state or federal conviction would have required registration as a sex offender at the time of the offense, to notify those persons and the sheriff, and to petition the court for judicial review of the registration requirements.

Requires the Department of Public Safety to notify any person registered as a sex offender on August 1, 2020, whose registration is based solely on a substantially similar determination for an out-of-state or federal conviction of the right to contest the determination.

Adds a new Section 11.5(e) making Section 11.5 of the act effective August 1, 2020, and applies to any individual notified of the right to contest required sex offender registration on or after that date.

Senate amendment #2 makes the following changes to Section 11.7 of the act.

Modifies the amendment to GS 166A-19.31(d) to clarify that publication of a state of emergency declaration issued by a municipality or county shall include both conspicuously posting a signed copy of the declaration on the jurisdiction's website if the jurisdiction has one and submitting a signed copy of the declaration to the Department of Public Safety WebEOC critical incident management system, at minimum.

H 612 (2019-2020) **DSS REVIEW OF PROCEDURES/CRIMINAL HISTORY/OAH. (NEW)** Filed Apr 4 2019, *AN ACT TO REQUIRE THE SOCIAL SERVICES COMMISSION OF THE DIVISION OF SOCIAL SERVICES TO REVIEW POLICIES, GUIDELINES, AND OTHER INTERPRETIVE STATEMENTS AND SUBMIT A REPORT TO THE OFFICE OF ADMINISTRATIVE HEARINGS; CLARIFY THE AUTHORITY OF BOARDS TO REQUIRE CRIMINAL HISTORY RECORDS; PROHIBIT AGENCIES FROM IMPLEMENTING OR ENFORCING POLICIES, GUIDELINES, OR OTHER INTERPRETIVE STATEMENTS THAT SHOULD BE ADOPTED AS RULES UNDER THE ADMINISTRATIVE PROCEDURE ACT; AND UPDATE THE PROCESS FOR LEGISLATIVE REVIEW OF RULES.*

Conference report makes the following changes to the 2nd edition.

Section 7

Amends proposed changes to GS 150B-33(b)(11) and enacts GS 150B-33(c) to prohibit an administrative law judge from ordering the assessment of reasonable attorneys' fees and witnesses' fees in contested cases decided under Article 2 of Chapter 150B upon finding that a State agency has sought to implement or enforce a policy, guideline, or other interpretative statement related to the State Medicaid or NC Health Choice program in violation of GS 150B-18 (prohibiting a state agency from implementing or enforcing any policy, guideline, or other interpretative statement that has not been adopted in accordance with Article 2 of Chapter 150B).

Deletes Section 7A of the 2nd edition of the act, pertaining to rule making by the Department of Health and Human Services. Instead, provides the following.

Section 8

Amends GS 150B-21.3(b) to provide that a permanent rule adopted by the Rules Review Commission (Commission) becomes effective on the first day of the month the rule is approved by the Commission, unless the Commission receives written objections in accordance with new GS 150B-21.3B (proposed by Section 9 of the act) or the agency that adopted the rule specifies a later effective date. Makes conforming repeals of GS 150B-21.3(b1), (b2), (c), and (d). Authorizes the Codifier of Rules to approve permanent rules that do not require notice or hearing pursuant to subsection (f), as an alternative to the Rules Review Commission, as applicable.

Section 9

Enacts new GS 150B-21.3B to amend and restate repealed provisions of GS 150B-21.3 governing delayed effective dates of administrative rules. Proposed GS 150B-21.3B(b) allows any person who objects to adoption of a permanent rule to submit written comments to the agency promulgating the rule and, if such objection is not resolved prior to adoption of the rule, to submit written objections to the Commission requesting review by the General Assembly. If the Commission receives objections requesting review by the General Assembly from 10 or more persons no later than 5:00 pm of the day following the day the Commission approves the rule, the rule will become effective as provided in GS 150B-21.3B(e).

Enacts GS 150B-21.3B(c) (mirroring language in existing GS 150B-21.3(b2)) to provide that if a rule is subject to review by the General Assembly pursuant to new GS 150B-21.3B(b), the agency may adopt the rule as a temporary rule if the rule meets the criteria listed in GS 150B-21.1(a) (listing procedure for adoption of temporary rules) at the time the notice of text for the permanent rule was published in the NC Register.

Enacts GS 150B-21.3B(e) to provide that a rule subject to review by the General Assembly that is approved by the Commission on or before December 31 of a given calendar year becomes effective on the thirty-first day of the regular session of the following calendar year unless a bill that specifically disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session (pursuant to GS 150B-21.3B(d)). If a bill that specifically

disapproves the rule is introduced in either house of the General Assembly before the thirty-first legislative day of that session, the rule becomes effective on the earlier of (i) the day an unfavorable final action is taken on the bill or (ii) August 1 of the calendar year following the calendar year the Commission approved the rule. Similar to existing law (GS 150B-21.3(d)(1)), proposed GS 150B-21.3B(a) defines a “legislative day” as a day on which either house of the General Assembly convenes in regular session. Under existing law (GS 150B-21.3(b1)), a rule to which objections from 10 or more persons were received by the Commission becomes effective on the earlier of the thirty-first legislative day or the day of adjournment of the next regular session of the General Assembly that begins at least 25 days after the date the Commission approved the rule. Existing law (GS 150B-21.3(d)(2) (3)) defines *day of adjournment* as (i) for a regular session held in an odd-numbered year, the day the General Assembly adjourns by joint resolution or by operation of law for more than 30 days and (ii) for a regular session held in an even-numbered year, the day the General Assembly adjourns *sine die*.

Enacts GS 150B-21.3B(d) to provide that, notwithstanding any rule of the General Assembly, any member of the General Assembly may introduce a bill during the first 30 legislative days of the regular session of any given calendar year to specifically disapprove a rule that has been approved by the Commission and that has not become effective or has become effective by executive order under proposed GS 150B-21.3B(f). A bill specifically disapproves a rule if it contains a provision that refers to the rule by the appropriate NC Administrative Code citation and states that the rule is disapproved.

Enacts GS 150B-21.3D(f) (mirroring language in existing GS 150B-21.3(c)) to provide that the Governor may, by executive order, make effective a permanent rule approved by the Commission but whose effective date has been delayed in accordance with new GS 150B-21.3B(e). A rule made effective by executive order pursuant to new GS 150B-21.3D(f) remains in effect unless it is specifically disapproved by the General Assembly in a bill enacted into law before August 1 of the calendar year following the calendar year the executive order is issued (existing GS 150B-21.3(c) provides that such rule remains in effect unless it is specifically disapproved by the General Assembly in a bill enacted into law on or before the day of adjournment of a regular session of the General Assembly that begins at least 25 days after the date the executive order is issued).

Adds Section 10, which provides Sections 8 and 9 of the act are effective January 1, 2021.

Makes conforming changes to title of the act.

Conference report makes the following changes to the 4th edition.

Section 1

Amends proposed GS 14-269.2(k1) to modify the conditions required for concealed handgun permittees or those exempt from obtaining a permit to carry a handgun on certain educational property. Now requires that the educational property be a nonpublic school (was, educational property other than an institution of higher education or a nonpublic, postsecondary educational institution). Eliminates the requirement that the educational property not be owned by a local board of education or county commission. Specifies that carrying and possession must be outside of the nonpublic school's operating hours, meaning any time when curricular or extracurricular activities are taking place on the premises and any time when the premises are not being used for school-sponsored activities (previously did not limit to nonpublic schools' operation). Clarifies that the provisions apply to offenses committed on or after December 1, 2020.

Section 2

Amends GS 14-415.16 by providing that if a permittee applies to renew a concealed carry permit no more than 60 days after the permit expires, the sheriff must, rather than is permitted to, waive the requirement of taking another firearms safety and

training course. If the permittee applies to renew the permit more than 60 days after the permit expires, but no more than 180 days after it expires, then the sheriff must waive the requirements of taking another firearms and safety training course if the permittee takes the listed steps pertaining to a refresher course. Effective October 1, 2020, and applies to renewal applications submitted on or after that date.

Section 3

Amends GS 14-415.27 to allow a person with a concealed handgun permit to carry a concealed handgun in a law enforcement facility if the person is employed by a law enforcement agency who (1) is not a law enforcement officer sworn and certified pursuant to Article 1 of GS Chapter 17C or GS Chapter 17E, (2) has been designated in writing by the head of the law enforcement agency in charge of the facility, (3) has in the person's possession written proof of the designation, and (4) has not had the designation rescinded. Applies to offenses committed on or after July 1, 2020.

Section 4

Amends GS 14-269 to expand the exceptions provided regarding carrying concealed weapons beyond a person's own premises to include emergency medical services personnel (EMS personnel) while on duty and deployed as part of their official duties providing tactical medical assistance to law enforcement in emergency situations. Requires completion of an approved tactical medical assistance course for supporting tactical law enforcement operations prior to qualification. Details course requirements for approval and certification. Applies to offenses committed on or after December 1, 2020.

Amends proposed GS 7B-503(a)(7), permitting an order of nonsecure custody when the juvenile is an infant who was born drug-exposed to alcohol, unlawful controlled substances, or controlled substances in violation of the law. Adds that this provision cannot be the sole ground for ordering nonsecure custody if the parent is enrolled in and meeting or exceeding the benchmarks of a substance abuse treatment program recommended by a medical provider or a LME/MCO. Further amends GS 7B-503(a) to require that the developmental and attachment needs of the juvenile must be considered in making nonsecure custody determinations based on any of the enumerated grounds.

Adds to the proposed changes to GS 7B-901(c)(1)e., which provides that if a disposition order places a juvenile in the custody of a county department of social services, the court must direct that reasonable efforts for reunification are not required if the court finds that a court has determined that aggravated circumstances exist because the parent has committed or allowed the continuation of chronic or toxic exposure to alcohol or controlled substances that causes impairment of or addiction in the juvenile, including, but not limited to, exposure to unlawful controlled substances in utero or controlled substances in violation of the law in utero. Adds that the court is required to consider whether a parent is enrolled in and meeting or exceeding the benchmarks of a substance abuse treatment program recommended by a medical provider or an LME/MCO.

S 105 (2019-2020) [CLARIFY EMERGENCY POWERS. \(NEW\)](#) Filed Feb 21 2019, *AN ACT TO CLARIFY THE EXPIRATION OF A STATE OF EMERGENCY AND THE EXERCISE OF CERTAIN POWERS UNDER A STATE OF EMERGENCY AND TO CLARIFY THE ABATEMENT OF STATEWIDE IMMINENT HAZARDS.*

House amendment makes the following changes to the 4th edition.

Modifies the proposed changes to GS 166A-19.20 to provide for the expiration of a gubernatorially or legislatively declared statewide state of emergency 48 hours after issuance without concurrence of the Council of State (previously, the earlier of the date the declaration is rescinded or 30 days after the declaration). Allows for 30-day extensions with concurrence of the Council of State. Eliminates proposed subsection (e) regarding extension with concurrence.

Modifies the proposed changes to GS 166A-19.3 to define *concurrence of the Council of State* to mean the consensus, within 48 hours of contact, of a majority of the Council of State prior to the Governor exercising a power or authority requiring a concurrence of the Council of State. Maintains the requirement for the Governor to make contact with each member, documenting the contact and response of each member, and releasing member responses. Now requires release of information prior to or simultaneously with exercising GS Chapter 166A authority if consensus is achieved (previously, did not specify consensus qualification). Also defines *Council of State*, including nine specified State executive officers and any interim officer or acting officer appointed pursuant to the NC Constitution.

Eliminates the proposed changes to GS 166A-19.30(c), which conditioned the additional powers of the Governor in the event of insufficient local control of a gubernatorially or legislatively declared state of emergency to assure adequate protection for lives and property, upon concurrence of the Council of State. Instead, amends the statute to require, upon exercise of the

additional powers of the Governor in subsection (c), (1) the Governor to immediately notify the affected local authorities and (2) the duration of subdivision (c)(1) powers (regarding prohibitions and restrictions imposed in the emergency area) be limited to 48 hours without a concurrence of the Council of State, and requires concurrence of the Council of State for any extension beyond 48 hours for up to 30 days at a time.

Makes a technical correction to the proposed changes to GS 130A-20.

House committee substitute to the 1st edition makes the following changes. Deletes the content of the previous edition and replaces it with the following.

Section 1

Amends GS 90-270.4(c) to provide an exemption to licensure requirements under Chapter 90 for school psychologists licensed by the State Board of Education. Exemption applies to both employees and contractors of the Department of Public Instruction or public school units.

Section 2

Amends Section 3.3 of SL 2020-4 (2020 COVID-19 Recovery Act) to allocate an additional \$1 million to the Department of Public Instruction (DPI) to implement the School Psychologists Recruitment and Retention Pilot Program in Section 4.2E of that act, as enacted. Reduces the allocation to DPI for contracted school health personnel by \$1 million.

Enacts Section 4.2E to SL 2020-4 to require the State Board to establish the 2020 School Psychologists Recruitment and Retention Pilot Program (program) using the funds allocated in Section 3.3 of that act, as amended. Details the program's purposes and defined terms. Requires the DPI recruitment and retention coordinator to coordinate with qualifying local school administrative units to allocate funds and administer the program subject to five requirements, including capping bonuses for a school psychologist at \$30,000 and requiring high-need qualifying local school administrative units as a first priority in allocating funds. Defines a *qualifying local school administrative unit* as one that either (1) employed two or fewer full-time school psychologists in the prior school year or (2) had a ratio of school psychologists to students that was at one school psychologist for every 1,900 students in the prior school year. Defines *high-need qualifying local school administrative unit* to mean one that employed zero full-time school psychologists in the prior school year. Requires the DPI retention and recruitment coordinator to report to the Senate Pro Tempore, the Speaker of the House, and the specified NCGA committee and division by September 20, 2020, and every subsequent three months in which funds are awarded in the program, as

specified. Allows DPI to use up to \$100,000 of the funds allocated to the program to establish the recruitment and retention coordinator position.

Section 3

Amends SL 2020-3, Section 2.1, to limit the definition of *year-round school* to schools with calendars adopted prior to March 1, 2020. Modifies the attendance requirement for one of the permitted plans for a year-round school to include an average of 44 to 46 days (was, fixed at 45) followed by an average of 15 to 20 days of vacation (was, fixed at 15).

Changes 2020-21 school calendar provisions in SL 2020-3, Section 2.11(b)(2), to authorize local school boards to change adopted calendars of single-track, year-round schools to vary from the permitted plan requiring 44 to 46 attendance days followed by 15 to 20 vacation days if necessary to ensure health and safety of students so long as the other existing requirements are met.

Limits flexibility for local school boards to use remote instruction days as teacher workdays to those five days originally planned as part of 190-day annual calendar.

Authorizes further remote instruction days that a governing board determines it needs for health and safety reasons, provided the public school unit ensures compliance with COVID-19 guidance from State health and education agencies.

Section 4

Amends SL 2020-4, Section 3.3(6), to provide that funding provided to the Department of Public Instruction for nutrition services provided in response to COVID-19 may also be allocated to the Summer Food Service Program. More specifically requires the funding to be used to provide emergency school nutrition services to students, including innovative school meals. Extends the availability of funding until December 30, 2020 (was, end of the 2019-20 school year).

Section 5

Amends GS 122C-125.2(a)(6), which specifies the types of activities an LME/MCO may include in a plan for reinvesting profits, to include assistance to public school units within the LME/MCO's catchment area for student behavioral health needs.

Section 6

Amends GS 115C-218-110(b), which requires charter schools to file annual reports related to educational effectiveness, to extend the reporting date from February 15 to June 15.

Section 7

Section 1.2 through 1.17

Authorizes the Secretary to enforce GS Chapter 74C and impose any authorized penalty against any individual or entity under investigation for and charged with a violation of the Chapter.

Amends GS 74C-8 to extend the time period which a business entity has to find a replacement qualifying agent from 30 to 90 days, and authorizes the Board to extend the 90-day period for an additional 30 days upon the filing of a petition by the business entity and a hearing by the Board. Applicants claiming an exemption must still complete the legal instruction required in GS 74C-13(b)(1).

Part VI

Eliminates the previous provisions of Part VI which required county departments of social services to take specified actions regarding redetermination of Medicaid eligibility within 60 days of the nationwide declaration of a public health emergency. Replaces the provisions with the following.

Directs county departments to: (1) resume Medicaid eligibility determinations for beneficiaries whose annual or periodic renewal of eligibility is due on or after September 1, 2020; (2) resume requesting post-eligibility verification information for applications received on or after September 1, 2020; (3) make a good faith effort to redetermine Medicaid eligibility for beneficiaries who were due for an annual or periodic renewal of eligibility prior to September 1, 2020, but for whom recertification did not occur; and (4) make a good faith effort to request post-eligibility verification information for applications received prior to September 1, 2020, for which post-eligibility verifications have not been requested.

Prohibits county departments from terminating benefits for a Medicaid beneficiary if doing so would result in the State being ineligible for the increased Medicaid funding under specified federal law, but requires such cases to be identified in the NC FAST system by July 31, 2020. Requires notices of termination for such identified cases within 90 days after the expiration of the nationwide declared public health emergency.

Provides that county authority to comply with a court order or settlement agreement are not affected.

Adds that the provisions apply to any federally recognized Native American tribe that has assumed responsibility for the Medicaid program.

Part VII

Eliminates the proposed directive requiring the Division of Health Benefits to make specified monthly payments to prepaid health plans if the required Medicaid capitated payments do not begin by July 1, 2021.

Now directs DHHS to amend the statewide and regional standard benefit plan prepaid health plan capitated contracts awarded as of June 1, 2020, so that the contract covers four-year terms rather than three-year terms, with the option to extend the contract for up to one successive contract year or a shorter period as required by DHHS. Provides that if any prepaid health plan declines this contract amendment in writing, then the contract amendment cannot be required and the contract terms remain in effect as of June 1, 2020, until and unless amended by a future agreement.

Changes the act's long title.
