## PUBLIC/SENATE BILLS

S 232 (2019-2020) [REPEAL DEATH INVEST CONF/MASKS/HEALTH&SAFETY. \(NEW\)](#) Filed Mar 12 2019, *AN ACT TO REPEAL CONFIDENTIALITY OF CERTAIN DEATH INVESTIGATION INFORMATION AND TO AUTHORIZE INDIVIDUALS TO WEAR MASKS AND FACE COVERINGS FOR HEALTH PURPOSES AND TO ESTABLISH BUSINESS OWNER AND OPERATOR COMPLIANCE WITH FACE COVERING REQUIREMENTS.*

House committee substitute deletes the content of the 2nd edition and replaces it with the following.

Repeals Section 2.5 of SB 168 (DHHS & Other Revisions) if SB 168 becomes law. Section 2.5 enacted GS 130A-386.5, effective October 1, 2020, to establish confidentiality for death investigation information and records provided to the Office of the Chief Medical Examiner (Office) or the Office's agents to the same extent of confidentiality the information and records had while in the possession of the city, county, or other public entity which provided them. The proposed statute further provided that the information and records are not public record unless deemed public record while in the possession of the public entity that provided them.

Eliminates the August 1, 2020, sunset for Section 4.3 of SL 2020-3, which amends GS 14-12.11 by (1) adding to the instances in which a person may wear a mask without violating the specified prohibitions on masks on certain public and private premises to include wearing a mask for the purpose of ensuring the physical health or safety of the wearer or others, and (2) requiring a person wearing a mask for that purpose to remove the mask when requested by a law enforcement officer: (a) during a traffic stop, including a checkpoint or roadblock; and (b) when a law enforcement officer has reasonable suspicion or probable cause during a criminal investigation. Makes clarifying and organizational changes to GS 14-12.11.

Grants criminal and civil immunity to business owners and operators in connection with any provision of an executive order or any municipal or county ordinance related to the public health emergency created by COVID-19 requiring customers to wear mask coverings inside the establishment if the owner or operator clearly posts signage at the establishment's entrance that face coverings are required by executive order or any municipal or county ordinance. Further, grants the business owner or operator posting such signage immunity from being held in violation of any such executive order or municipal or county ordinance. Expires March 1, 2021.

Makes conforming changes to the act's titles.
