Part I

Mandates local school administrative units to offer a six-week school extension learning recovery and enrichment program (program) outside of the instructional calendar, following the 2020-21 school year, within funds available to the units,

Encourages charter schools to also submit program plans as appropriate. Identifies eight components program plans must contain, including (1) instruction for at least five hours a day, five days per week for six weeks; (2) lunch service; (3) a physical activity period during each instructional day; (4) grade level course offerings, as specified for K-3 students, grade 4-8 students, and high school students; (5) transportation service; (6) voluntary participation by at-risk students, with participating K students exempt from retention for the 2021-22 school year, and required reassessment of promotion eligibility for others at risk of retention for the 2021-22 school year; (7) opportunity for other students to participate within the space available; and (8) outreach to increase program participation.

Requires local boards of education to employ teachers and school personnel as contracted temporary employees for the duration of the program. S 93 (2021-2022) **ASSISTING NC FAMILIES IN CRISIS**. Filed Feb 15 2021, *AN ACT TO ALLOW PARENTS UNDERGOING COURT-ORDERED SUBSTANCE ABUSE OR OTHER MENTAL HEALTH DISORDER TREATMENT OR COUNSELLING TO RETAIN MEDICAID ELIGIBILITY WHILE THEIR CHILD IS TEMPORARILY SERVED BY THE FOSTER CARE PROGRAM*.

Amends Section 9A of SL 2015-245, as enacted by Section 2 of SL 2016-121, concerning the implementation of plans to transform the Medicaid and NC Health Choice Programs. Currently, Section 9A authorizes the Department of Health and

Human Services (DHHS) to seek approval from the Centers for Medicare & Medicaid Services (CMS) through the demonstration waiver application pursuant to Section 1115 of the Social Security Act, or other waivers and State Plan amendments to implement the act, in order to allow parents to retain Medicaid eligibility while their child is being served temporarily by the foster care program. Amends the provisions to require DHHS to seek approval from CMS through the 1115 waiver required by the act, or another 1115 waiver, to allow parents to retain Medicaid eligibility who are participating in, and making reasonable efforts to comply with, a court-ordered substance use disorder or other mental health disorder treatment program or counselling while their child is being served temporarily by the foster care program. Eliminates the statement of legislative intent to expand Medicaid eligibility to cover this population upon implementation of the 1115 waiver, if approved by CMS.

Makes related changes to GS 108A-54.3A, which sets forth eligibility categories and income thresholds for Medicaid coverage. Adds a new category to require coverage for a parent who has qualified under the family eligibility categories and income levels of subdivisions (1) and (2) who are participating in a court-ordered substance use disorder or other mental health disorder treatment program or counselling and has one or more children that are temporarily in the legal custody of a State-sponsored foster care or temporarily receiving foster care assistance under Title IV-E of the Social Security Act. Requires maintaining the income requirements specified to retain Medicaid eligibility under the new subdivision. Makes these provisions effective upon CMS granting approval of a 1115 waiver, as required to be obtained by the act, and upon the date CMS allows.

Defines trampoline park to mean a facility or facilities containing one or more trampolines that is open to the public and for which a fee is charged. Requires trampoline park owners or operators to carry insurance coverage of at least \$1 million per occurrence and \$2 million per aggregate against liability for injury to persons or property arising out of the facility's operation or use of the device. Amends GS 14-72.8, making larceny of a catalytic converter a Class I felony. S 100 (2021-2022) **[POLICE FUNDING PROTECTION ACT](#)**. Filed Feb 15 2021, *AN ACT PROVIDING THAT CITIES AND COUNTIES THAT REDUCE FUNDS FOR LAW ENFORCEMENT OFFICERS OR LAW ENFORCEMENT AGENCIES BY AN AMOUNT THAT EXCEEDS ONE PERCENT OF THE FUNDS APPROPRIATED IN ANY FISCAL YEAR FOR ALL OTHER CITY OR COUNTY EMPLOYEES OR DEPARTMENTS, OR BOTH, SHALL RECEIVE A CORRESPONDING REDUCTION IN STATE-SHARED REVENUE AND DIRECTING THE NORTH CAROLINA CRIMINAL JUSTICE EDUCATION AND TRAINING STANDARDS COMMISSION AND THE NORTH CAROLINA SHERIFFS' EDUCATION AND TRAINING STANDARDS COMMISSION TO SUBMIT RECOMMENDATIONS TO THE JOINT LEGISLATIVE OVERSIGHT COMMITTEE ON JUSTICE AND PUBLIC SAFETY ON LAW ENFORCEMENT EQUIPMENT INVENTORY STANDARDS, EQUIPMENT MAINTENANCE STANDARDS, AND EQUIPMENT REPLACEMENT STANDARDS.*

Enacts new GS 159-16.1 (applicable to cities), providing as follows.

Provides that if a city's governing board, in any fiscal year, reduces funds appropriated in its annual budget for compensation for full-time, certified, sworn law enforcement officers or for police department operating expenses, or both, by an amount exceeding 1% of the funds appropriated in that fiscal year for compensation for all other full-time city employees, or operating expenses for all other city departments, or both, then the city's share of funds under GS 136-41.1 (distributing the appropriation of funds by the General Assembly to the Department of Transportation for State aid to municipalities) must be reduced by that amount in that fiscal year. Requires that when the amount over 1% exceeds the city's share of funds under GS 136-41.1, that the city's share of funds distributed pursuant to the additional specified provisions be reduced in the listed order until the remaining balance has been satisfied. Also provides that if a city's governing board, in any fiscal year, eliminates or reallocates 100% of the funds appropriated in its annual budget for compensation for full-time, certified, sworn law enforcement officers or police department operating expenses, or both, then the city will be ineligible to receive funds distributed pursuant to the specified statutory provisions. Requires any of the impacted funds that were distributed after a city's governing body has reduced, eliminated, or reallocated funds as described above, to be returned to the State in the fiscal year in which they were distributed. Requires that no later than 15 days after the city's funds have been reduced, eliminated, or reallocated that the city's finance officer make a written report on the actions to the Secretary of the Department of Revenue, specified NCGA committee chairs and division, and the Office of State Budget and Management. Allows a city that has undergone the 1% reduction of funds or that has had to return funds to submit a written request to the chairs of the House and Senate Appropriations committees asking the committees to meet jointly to review the reduction of funds for law enforcement in order

to determine whether the reduction was reasonable; if the reduction is found to have been reasonable and did not cause significant negative impact to public safety, the joint committee may recommend to the full NCGA that the city's share of funds be restored.

Enacts new GS 159-16.2 establishing similar provisions for reductions made by the governing board of a county to the annual budget for full-time certified deputy sheriffs, sheriff's office operating expenses, or both.

Requires the North Carolina Criminal Justice Education and Training Standards Commission and the North Carolina Sheriffs' Education and Training Standards Commission, by October 1, 2021, to make recommendations to the specified NCGA committee on the following issues for law enforcement agencies under their jurisdiction: (1) minimum equipment inventory law enforcement agencies should have available for their use, (2) minimum standards for maintaining the equipment, and (3) minimum standards for determining when the equipment should be replaced. Sets out issues to be considered when developing the recommendations.

Amend GS 162-62 to mandate administrators or another person in charge of a county jail, local confinement facility, district confinement facility, or satellite jail/work unit to make a query of Immigration and Customs Enforcement (ICE) of the US Department of Homeland Security when unable to determine if a prisoner who is charged with a felony or an impaired driving offense is a legal resident or citizen of the United States or its territories (previously mandated, but qualified with "where possible"). Adds a new requirement for an administrator or another person in charge of such a facility to hold a prisoner for 48 hours from the receipt of detainer, regardless of satisfaction of pretrial release conditions, if (1) in receipt of a detainer request from ICE and (2) the prisoner is charged with a crime under GS 90-95 (violations and penalties of the Controlled Substances Act), Article 6 (Homicide), Article 7B (Rape and Other Sex Offenses), Article 10A (Human Trafficking), or Article 13A (NC Gang Suppression Act) of GS Chapter 14. Allows for release within that period upon proof that the prisoner is a legal resident and satisfaction of all other pretrial release conditions imposed. Makes willful failure to make a query of ICE when required to do so or the willful failure to hold a prisoner for 48 hours when required to do so a Class 1 misdemeanor. Makes conforming changes.

Establishes an annual reporting requirement, beginning October 1, 2022, for every administrator or another person in charge of a subject facility to report on its compliance with GS 162-62, as amended, to the specified NCGA committee. Details seven components required of the reports, including the number of times an ICE detainer request was sent and the number of times a prisoner was held for the full 48 hours.

Amends GS 15A-534 concerning conditions for pretrial release, to require any direct or collateral circumstances that may increase the likelihood of the defendant failing to appear at a court proceeding or increase the difficulty in locating the defendant upon failure to appear at a court proceeding to be taken into account. Makes language gender neutral.

Applies to offenses committed on or after December 31, 2021.
