H 71 (2021-2022) [LIVING DONOR PROTECTION ACT](#). Filed Feb 11 2021, *AN ACT TO PROTECT LIVING DONORS FROM POTENTIAL INSURANCE DISCRIMINATION, TO PROVIDE AN INCOME TAX CREDIT FOR UNREIMBURSED MEDICAL EXPENSES RESULTING FROM CERTAIN ORGAN AND MARROW DONATIONS, AND TO PROVIDE UP TO THIRTY DAYS' PAID LEAVE TO STATE EMPLOYEES AND OTHER STATE-SUPPORTED PERSONNEL WHO SERVE AS LIVING ORGAN DONORS AND UP TO SEVEN DAYS' PAID LEAVE FOR BONE MARROW DONORS.*

House committee substitute amends the 1st edition as follows.

Amends proposed GS 58-3-25(d), which prohibits an insurer from refusing to insure, limiting coverage to, or discriminating against an individual based solely and without any additional actuarial risks on the status of an individual as a living organ donor, including charging a different amount for the same coverage. Now defines living organ donor to mean a living individual who donates one or more of that individual's human organs, including bone marrow, to be medically transplanted into the body of another individual (was, to another individual to be transplanted using a medical procedure to the body of that other individual).

Filed Feb 23 2021, *AN ACT TO PERMIT INCREASED ACCESS TO CERTAIN INDOOR AND OUTDOOR FACILITIES FOR SPORTING EVENTS, GRADUATION AND COMMENCEMENT CEREMONIES, AND OTHER OUTDOOR EVENTS IN PUBLIC AND NONPUBLIC SCHOOLS, COMMUNITY COLLEGES, AND CONSTITUENT INSTITUTIONS OF THE UNIVERSITY OF NORTH CAROLINA*.

House committee substitute amends the 1st edition as follows.

Expands the scope of the proposed requirements for attendance at sporting events at qualifying schools to make the requirements also applicable to graduation or commencement ceremonies and other outdoor activities including but not limited to drama performances, club events, and speaker series. Modifies attendance requirements to now set a permitted occupancy range for each facility with a capacity stated on the facility's certificate of occupancy in accordance with the State Building Code, limiting spectators to no less than 30% (was 25%) and no more than 50% capacity. Adds criteria for facilities that do not have an occupancy capacity under the State Building Code, requiring no more than 14 spectators for every 1,000 square feet. Requires qualifying schools to comply with Interim Guidance for Administrators and Participants of Youth and Amateur Sports Programs, as it existed on February 26, 2021 (was January 28, 2021) so long as the requirements do not conflict with the act. Makes conforming changes to the definition given for *spectators* to exclude graduating students at graduation or commencement ceremonies, and additionally excludes a member of the immediate household of an athlete or graduating student from the term. Now makes the act applicable at any time when the occupancy capacity of indoor or outdoor gatherings is limited to less than 50% by an executive order, secretarial order, or emergency directive and related to the COVID-19 pandemic. Changes the act's expiration, now setting the act to expire on December 31, 2021 (was, the earlier of December 31, 2021, or the date the Governor issues an executive order rescinding Executive Order No. 116 (2020), or lifts restrictions on indoor and outdoor gatherings related to the COVID-19 pandemic).

H 196 (2021-2022) [2021 COVID-19 RESPONSE & RELIEF](#). Filed Mar 1 2021, *AN ACT TO MAKE MODIFICATIONS TO COVID-19 RELIEF LEGISLATION AND PROVIDE ADDITIONAL APPROPRIATIONS FOR THE EXPENDITURE OF FEDERAL COVID-19 PANDEMIC RELIEF FUNDS*.

House committee substitute #2 makes the following changes to the 2nd edition.

Part I

Section 1.5

Modifies the authorized uses of the federal Child Care and Development Block Grant funds received for the fiscal year ending June 30, 2021, pursuant to the Consolidated Appropriations Act, 2021, appropriated to the Department of Health and Human Services (DHHS), Division of Child Development and Early Education (Division). Now requires the funds be used, for the remainder of 2020-21, by the Division to pay for all copayment assistance for families eligible for subsidized child care, and thereafter authorizes the Division to use the remainder of these funds on cleaning and sanitation needs, operational grants for child care providers, and early childhood education learning loss and summer enrichment activities (previously required the funds be used for cleaning and sanitation and copayment assistance for families receiving subsidized childcare, with legislative encouragement to use the some of the funds to address early childhood education learning loss, with authorization to use funds remaining upon maximizing the use for previously specified initiatives, for operational grants to childcare providers). No longer explicitly bars using the funds for staff bonuses.

Part II

Section 2.9

Modifies the proposed changes to GS 90-85.15B to specify that the authority granted to an immunizing pharmacist to administer a long-acting injectable medication to persons 18 or older must be pursuant to a specific prescription order initiated by a prescriber following a physical examination of the patient by the prescriber (previously only specified that the administration be pursuant to a specific prescription order by a prescriber). Amends the related proposed requirements to require the immunizing pharmacist to notify the prescriber regarding which medication and dosage was administered to the patient (previously simply required notification of the patient's primary care provider) within 72 hours of administration.

Section 2.12

Eliminates all provisions of Section 2.12, which extended the expiration date of Section 3E.3 of SL 2020-3, which (1) suspended all annual and biennial inspections and regular monitoring requirements for specified licensed facilities except as necessary to avoid serious injury, harm, impairment, or death to employees, residents, or patients of these facilities or as directed by the Centers for Medicare and Medicaid Services and (2) required training on infection control and the proper use of personal protective equipment for employees of facilities that were determined to be in violation, assessed penalties, or placed on probation within the six-month period preceding the beginning of the COVID-19 emergency, for noncompliance with rules, statutes, or guidelines on infection control or the proper use of personal protective equipment.

Section 2.15

Eliminates all provisions of Section 2.15, which amended GS 131D-2.4 concerning provisional licenses and suspension of admissions at adult care homes and requiring the Medical Care Commission to amend and update the specified related rule and any other impacted rule to reflect the changes made in the section.

Section 2.19

Changes the repeal dates for proposed Article 21 in GS Chapter 153A (applicable to counties) and Article 31 in GS Chapter 160A (applicable to cities), which allow a tourism development authority to enter into a PPP loan. Now provides for the Articles' repeal on January 1, 2022, rather than January 1, 2028.

Part III

Section 3.1

Modifies the new \$3 million allocation of Coronavirus Relief Funds to the Department of Commerce by the Office of State Budget and Management added to Section 3.3 of SL 2020-4, as amended. Now requires the Department of Commerce to use the funds to contract with a North Carolina nonprofit as a stimulus investment in North Carolina's marketing budget to be used to market North Carolina (was more specifically to be used to contract with a NC nonprofit as a stimulus investment in Visit North Carolina's marketing budget to be used to market the state as a business and tourism destination).

Section 3.2

Eliminates the allocation amounts specified for appropriated funds as a grant to Conover. Maintains the three previously authorized uses of the funds.

House committee substitute #1 makes the following changes to the 1st edition.

Part I

Section 1.2

Modifies proposed Section 5A of SL 2021-1, which directs the Department of Public Instruction (DPI) to use reserved federal funds from the Elementary and Secondary Emergency Relief II (ESSER II) Fund in specified amounts for specified purposes. Regarding the \$1 million to be used to contract with a third party to conduct a statewide assessment of the cybersecurity capabilities of public schools and threats posed to public schools in response to COVID-19, deems both the assessment and the report submitted by DPI confidential and not a public record (previously only required confidential reporting by DPI). Regarding the \$9 million to be used to implement a statewide cybersecurity program, now requires DPI to contact with a third-party entity, which must be a business entity with broad experience in cybersecurity services, including a history of successful contracts in this State and at least one other state; bars the entity from having its principal office located in China or Russia (previously, allowed DPI or a contracted third party to operate the program; did not specify contracting requirements). Eliminates previously proposed subdivisions (16) and (17), which duplicated directives regarding statewide assessments of public school unit cybersecurity capabilities and implementing a statewide cybersecurity program. Makes conforming changes.

Section 1.7

Modifies the allocations of federal funds received pursuant to the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA) for Highway Infrastructure Programs appropriated to the Department of Transportation (DOT) in amounts specified in federal guidance, now requiring the funds to be used and allocated by DOT with (1) \$229,282,615 to the Highway Trust Fund to fund and bill State Transportation Improvement (STI) projects and use federal cash reimbursements to advance delayed STI projects, with all funds used to advance delayed bridge replacement and interstate maintenance; and (2) \$29,454,289 to be suballocated to urbanized areas with a population of over 200,000 as set forth in federal guidance (previous allocations were \$30 million to DOT for maintenance activities within the Roadside Environmental Unit for litter removal and other programmed activities, \$199,282,615 to the Highway Trust Fund to advance the State Transportation Improvement Program delayed projects and delayed bridge replacement and interstate maintenance, and \$29,454,289 to be suballocated to urbanized areas with a population of over 200,000 as set forth in federal guidance). Makes conforming changes.

Part II

Makes a technical change to the bill heading given to Section 2.2.

Section 2.13

Further amends Section 3D.7 of SL 2020-3, which enacted Article 1L, Emergency or Disaster Treatment Protection Act, by making the section applicable to acts or omissions occurring during either the pendency of Executive Order No. 116 or during any subsequent time period which a state of emergency is declared to be in effect by the Governor, in any year, in response to COVID-19 (previously amended to be applicable to acts or omissions occurring during the time of Executive Order No. 116). Specifies that the clarifications in the section are consistent with the intent and purpose of the section as originally enacted. No longer specifies that the section applies retroactively to acts and omissions occurring on or after May 4, 2020.

Adds new Section 2.23 as follows.

Authorizes a justice or judge to administer the required oath prescribed for attorneys to an attorney remotely using a form of live video conferencing technology, so long as the individual attorney is personally known to the justice or judge or otherwise provides satisfactory evidence of identity. Expires December 1, 2021.

Amends GS 7A-273 to authorize magistrates to accept written appearances, waivers of trial or hearing and pleas, and enter judgment and collect fines or penalties and costs, for misdemeanor or infraction cases involving State forest rule offenses under Articles 74 and 75 of GS Chapter 106, which govern State forests including protection and fire control.

Specifies that this exception does not apply when the Commissioner of Agriculture and Consumer Services has prohibited all open burning during periods of hazardous forest fire conditions or during air pollution episodes declared under Article 21B of GS Chapter 143.

Makes the above provisions effective December 1, 2021, and applicable to offenses committed on or after that date.

Amends GS 106-903 to authorize the Department of Agriculture and Consumer Services to alternatively provide compensatory leave at an hour for hour rate in lieu of the monetary overtime compensation requirement for professional employees of the Forest Service for overtime earned while conducting fire suppression duties, as defined in state law (previously, more generally required monetary overtime compensation for those described employees involved in fighting forest fires). Adds that compensatory leave must be provided in a manner consistent with State policies for exempt employees established by the Office of State Human Resources. Applies to overtime earned on or after the date the act becomes law.

Modifies the proposed changes to GS 7B-1001(a) regarding appeals of right from certain orders concerning juvenile matters. Rather than eliminating the right to appeal directly to the Supreme Court for orders eliminating reunification as a permanent plan that satisfy three procedural conditions under subdivision (a1)(2) with no comparable replacement provision for such appeals, eliminates the right to appeal directly to the Supreme Court under subdivision (a1)(2) and creates a right of appeal directly to the Court of Appeals under new subdivision (a)(8) for such orders that satisfy three procedural conditions identical

to those in existing law for orders that can be appealed directly to the Supreme Court.
