Effective January 8, 2024, enacts new Article 10, Pari-Mutuel Wagering, in GS Chapter 18C, providing as follows. Sets out and defines terms as they are used in Article 10. Defines *pari-mutuel wager or wagering* as a form of wagering on the outcome of horse races, whether live, simulcast at a simulcast facility, or previously run, in which wagers are made on one or more horses and all wagers are pooled and held by the host of the race or the ADW licensee for distribution. Limits play of wagers on previously run horse races to a facility conducting a live horse race in accordance with the rules adopted by the Commission. Requires the Commission, in adopting rules, to consult the State Veterinarian regarding safety of horses. Requires the Commission, when adopting rules, to provide guidance on the issuance, denial, suspension, or revocation of a license provided under Article 10, on the operation of advance deposit account wagering by ADW licensees, and on the requirements for simulcast facilities.

Amends GS 18C-114 to allow the Commission and Department of Revenue to agree to exchange any data necessary to enforce and administer Article 10.

Requires the Commission to establish guidance to parties regulated by Article 10 of GS Chapter 18C. Provides that when adopting rules under new GS 18C-1025, the Commission must adopt rules providing guidance on the issuance, denial, suspension, or revocation of a license under Article 10 and guidance on the operation of advance deposit account wagering by ADW licensees. Allows the Commission to adopt rules before January 8, 2024, but no rule may become effective until on or after that date.
