H 600 (2025-2026) [RECOGNITION OF THE TUSCARORA](#). Filed Mar 31 2025, *AN ACT TO RESTORE OFFICIAL RECOGNITION TO THE TUSCARORA AND TO PROVIDE THEM REPRESENTATION ON THE COMMISSION OF INDIAN AFFAIRS*.

House committee substitute to the 1st edition makes the following changes.

Changes the date set forth GS 71A-7.3 from which the Indians who comprise The Tuscarora Indians of Kahtenuaka Territories, whose ancestors signed treaties with the government of North Carolina and were granted the Indian Woods Reservation on the Roanoke River in Bertie County, are officially recognized under the statute as The Tuscarora Indians of Kahtenuaka Territories from July 1, 2025, to July 1, 2026. Makes a technical change. Extends the term of the member recommended by The Tuscarora Indians of Kahtenuaka Territories to serve on the American Indian Heritage Commission (Commission) from two years to three years, with the term expiring on June 30, 2029, in GS 143B-135.5.

Appropriates \$5,000 from the General Fund to the Department of Administration for 2026-27 to assist the North Carolina Commission of Indian Affairs with updating its website, materials, and other documentation to reflect the new membership of that Commission. Appropriates another \$5,000 from the General Fund to the Department of Natural and Cultural Resources for 2026-27 for the same purpose for the Commission. Effective July 1, 2026.

Makes conforming change to effective date.

S 801 (2025-2026) **ADDRESS CONFIDENTIALITY/STUDY & DL. (NEW)** Filed Apr 21 2026, *AN ACT REQUIRING A STUDY PROGRAM TO EXPAND THE ADDRESS CONFIDENTIALITY PROGRAM TO INCLUDE CERTAIN MILITARY AND SPECIAL OPERATIONS PERSONNEL AND ALLOWING CERTAIN MILITARY AND SPECIAL OPERATIONS PERSONNEL TO BE ISSUED A SUBSTITUTE DRIVERS LICENSE OR SPECIAL IDENTIFICATION CARD.*

Senate amendment to the 3rd edition makes the following changes.

Adds whereas clauses.

Expands upon the issues that the Task Force must consider when studying how to protect military personnel, special operations forces, elected officials, and others particularly susceptible to doxing or squatting by adding the following: (1) whether spouses, dependents, and other family members of susceptible individuals should also be covered by the protection program; (2) if expansion of the Address Confidentiality Program is not feasible, recommendations for a separate program leveraging the existing Program as the model to incorporate all best practices where appropriate; (3) recommendations for standard operating procedures for any protective program, including eligibility verification, recertification of eligibility, command validation for military personnel, and other criteria for reviewing applications for certification of participation, in any protective program, and recommendations for further study. Specifies that the study's recommendations for legislative actions, includes potential enhancement of criminal laws and civil liability.

Amends proposed GS 20-37.03 by limiting the issuance of a drivers license or special identification card using a substitute address for special operations force members, to when it is required by a major military installation and is for overseas use only. Requires that the substitute address be the license holder's certified permanent duty station (appears to intend). No longer requires the DMV to provide the residence address to law enforcement upon request.

Enacts new GS 132-1.15 requiring the custodian of any public record containing personal identifying information of a special operation forces member to redact or remove that record from any public-facing web-based database or application, to the extent the agency determines it is operationally feasible, when requested by the member in writing.

Allows the Taskforce to create a pilot program for eligible active-duty Department of Defense certified special Operations Forces personnel to evaluate the implementation of any program recommended under the act.

Makes Section 2 (enacting GS 20-37.03, and amending GS 132-1.7) and Section 3 (enacting new GS 132-1.15) effective January 1, 2027.
