Browse LRS

If you don’t want to use the search feature but would simply like to browse the material to get an overview, you have several options to navigate the site.

1. Select "All Bills" for a complete list of the current legislative session. You can sort chronologically by filing date or date of last action. You can sort alphabetically by bill short title or the description of the last action.

All Bills: 2011-2012 Session

<table>
<thead>
<tr>
<th>Bill #</th>
<th>Bill short title</th>
<th>Filing Date</th>
<th>Last Action</th>
<th>L.A. date</th>
<th>View</th>
<th>Track</th>
</tr>
</thead>
</table>

2. Select "Bill Categories" for a complete list of keywords used to categorize bills in LRS. Click on any term to view current content specifically tagged with that term by the LRS staff. Note that some categories (e.g., “Courts/Judiciary”) have sub-categories (e.g., “Civil”), which can be branched further (e.g., “Civil Law”).

- Agriculture
